

The Montreal Herald suspects that when the appointment of Governor-General falls upon Canadian shoulders, the selection will be of such a man as Sir Hugh Allan, or Mr. Gooderham, of Toronto. To which the Ottawa Citizen replies:—With all possible respect for the general opinion of our old and much-esteemed contemporary, we beg to say that his opinion on this question is downright and utter rot. When the Governor-General office in Canada is given to a Canadian, two of the questions of qualification will be, experience and brains, not overflowing money-bags and empty pomposity.

The plain hunters of Manitoba have had a splendid success, and a large trade will be done with them in the Spring.

A Providence man thrashed his better half, was tried and fined \$20, and the absent-minded and earned the money to get him out.

BREAKFAST—Epps's Cocoa—GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—*Chief Service Gazette.* Made simply with boiling water of milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

On the death of one of England's most eminent physicians, all his effects were sold by auction, and among other things was a sealed packet, marked "Advice to Physicians," which brought a great price. The purchaser on opening the packet, read as follows:—"Keep the head cool, the bowels open and the feet warm." If physio is necessary, use *Parsons' Purgative Pills*; they are the most scientifically prepared pill that has appeared in the last hundred years.

The use of Tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizziness, disturbs the sleep, makes a man miserable, and prematurely old. When the diseases are serious and stubborn, the best remedy is *Fellow's Compound Syrup of Hypophosphites*, as it restores circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

Few people unacquainted with physiological chemistry are aware of the quantity of iron in the blood, but all should know the importance of keeping up the supply, for debility, disease and death are sure to follow when the quantity becomes too much reduced. The *Peruvian Syrup* (a protoxide of iron) supplies this vital element, and has cured many chronic diseases.

PAIN-KILLER. Husband and wife—what does the parson's wife say about it? Wife—Why, it does everything but impossibilities; she cures Sore Throat, Croup, Cough, Cold, Bowel Complaints, Cramps, Neuralgia, Rheumatism, in fact she is a host of doctors all in herself if she has a bottle of Pain-Killer with her.

Husband—She needs to be, I never saw such children as hers are, they are always cutting their fingers, spraining their ankles and falling down stairs.

Wife—Yes, and the Pain-Killer is magical when used for Sprains, Bruises and Fresh Cuts. That reminds me Willie cut his finger awfully this morning. I will hasten and get some Pain-Killer on it.

The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Stomach, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS

COMPOUND SYRUP OF

HYPOPHOSPHITES

As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in fact a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This Compound is substantially the basis on which *Fellow's Hypophosphites* is built, its direct action is upon the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Secretary Life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many continued cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Nervous Debility it stands unrivalled, and is used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for *Fellow's Syrup*, and take no other.
