

Affairs in Japan.

Accounts from Japan are not very encouraging. The new order of things has been so feverish in its progress that an enormous debt has suddenly been created, and no adequate provision has been made for its disposition.

A SPECIMEN.—The jury empanelled to try the Brantford Assessors for gross irregularities, found them guilty of the charges against them, and forthwith the local Tory organ pitches into trial by jury tooth and nail, and in its madness finds out that it is "a mockery, a delusion and a snare!"

A BITTER PILL.—At the narrow-gauge dinner at Owen Sound Mr. McKellar made the announcement that at the end of the present month the Mowat Government would have an addition of \$600,000 to add to the Ontario Surplus Fund.

SIR GEO. CARTER'S WILL.—A correspondent to the Montreal Witness writes from the Montreal character, contained in Sir George's will, and says:—"It is neither just nor manly, because a man strays from the path of duty, that the odium should be thrown on the innocent, and that they should be branded before the world as if they were guilty, instead of victims."

Church of England Diocese. The Synod of the Diocese of Toronto was opened in that city on Tuesday by a service in St. James' Cathedral. The sermon was preached by the Rev. Mr. Holland, after which the Communion was celebrated.
