Over Thirty Thousand Dollars worth more Goods sold this Spring than last, and there will be more in the future, for we are determined to keep prices down in spite of increase in the tariff. Every one remarks the great business doing at THE LION. Of course it must be so,—our stock is larger than any six stocks in Guelph, and our prices so much lower, and the people find out these things, and go where they get the best value for their money.

We have received a specialty this week of over one thousand dollars worth of Double Balou's Kid Gloves direct from French makers, that we will sell at one dollar a pair; elsewhere you pay from \$1.25 to \$1.50 for the same.

Also, French Silks in all the newest shades in plain, striped, and shot, at \$1, worth \$1.50 a yard.

the Indians are daily becoming more and more anxious about the future, and more and more desirous for some settlement with the Government as regards their lands. The few traders who have already arrived here inform us that the Indians are very uneasy. They have been promised a visit from a commissioner for a long time past, but have again and again been disappointed. This, naturally, has had a tendency to destroy whatever feelings of confidence in the white man they ever possessed. They have heard also that the Mounted Police are about to proceed to the Territory, and are not thoroughly convinced that the only object the Government have in sending them there is to protect both white man and Indian from trouble. We hope this summer will not be allowed to pass without a treaty being made with the Plain Cree at all events.—Manitoba Free Press.

Notes from Ottawa.

Ottawa, June 2.
 The Canada Presbyterian Assembly will be inaugurated this evening at Knox's Church. The Kirk Synod will assemble this evening in St. Andrew's Church, when the preliminary business of the session will be transacted.

Mr. J. L. P. O'Hanley and his surveying party have returned from the survey of Ottawa, where they have been determining the boundary line between the Provinces of Ontario and Quebec. They left the head of Lake Temiscamingue on the 20th May.

The Hon. George Brown, and Hon. A. McKellar and bride, are the guests of the Premier.

It is reported, on what is considered fair authority, that a skeleton of a treaty has been agreed upon, the minor features to be filled in hereafter. The Americans were found in an agreeable mood, and in their treatment of Mr. Brown were the reverse of unfriendly. The prospect, therefore, of freer commercial relations between Canada and the United States, within no distant period, is good. Mr. Brown will probably lay his report before the Government in Council to-day.

The Hon. Wm. McDougall, ex-Governor of Manitoba, and late Canadian Immigration Agent to Norway, is said to be now editing the Canadian News in London, England.

The shortest Parliament that ever sat in England met in the thirty-fourth year of the reign of Edward I., and existed for one day only. The longest is not that which is historically known as the "Long Parliament," which according to the general computation, existed 16 years, 145 days, or, according to another (the outside limit), 17 years and 3 months. The second Parliament of Charles II., met on the 8th of May, 1661, and was dissolved till the 24th of January, 1679, having thus had a duration of 17 years, 8 months and 16 days.
