Special Notices.

IT IS OF THE UTMOST IMPORTANCE that a remedy intended for popular use should be not only thoroughly reliable and scientific, but incapable of producing dangerous results. The treatment of *kidney complaints* is necessarily protracted, and if deleterious drugs are taken into the system for a long time, they may accumulate and do more harm than good. Dr. Wheeler's Compound Elixir of Phosphates and Galena, containing elements of the tissues, repairs diseased bone, muscle and nerve, and renews constitutional vigor in the same manner as our daily food, with no more liability of injury. It may be taken in all forms of debility in the young or aged, with positive certainty of permanent benefit.

JAMES CORMACK,

No. 1, Wynndham Street

Co-Operative Store.

On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent. under other Houses," "To Keep the Largest and Best Stock in the Dominion."

We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.

Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.

The result has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.
