

The Wall Paper Store

Wall Paper

The store which does the largest trade must have the largest stock and the largest assortment to choose from, must have the latest styles, latest colors and the best values. We have selected from American and Canadian manufacturers the largest assortment and the largest stock of high, medium and low priced Wall Papers that ever came to this town or any other town of this size in Ontario. Aylmer is a good Wall Paper town—extra good—and we knew it. Few stores in Western Ontario are able to carry the assortment we do.

Any color, style or price you demand here. Fine American Papers are our specialty.

Garden Seeds

Steel-Briggs Garden Seeds again this year. This is the sixth consecutive spring we have sold them, with but two complaints in that period. Good record isn't it? We sell them by the ounce or pound—not in the Package. Lowest prices on Mangel, Sugar Beet and Rape Seed.

Sporting Goods

We are the sporting goods dealers of Aylmer. Baseball, Lacrosse, Football, Tennis and Cricket supplies. Agents for the Racycle Bicycle, the only wheel with the chain pulling between the ball bearings.

Medical Science Advances.

It is not more than half a century ago that physicians considered a surgical operation, with its risk, expense and pain, as the only cure for piles. To-day it is only the out of date doctors that think of such treatment. It is cruel and extravagant to operate for a disease which is far more certainly cured by the application of Dr. Chase's Ointment. You may be skeptical, but for proof you are referred to tens of thousands of cases that have been cured by this famous preparation.
