## ST. MARYS ENTER EAST END LEAGUE

Jimmie Fitzmaurice's Crew Re-  
places the Ramblers at  
Queen's Park.

## FRED SIMMONS RESIGNS

Secretary-Treasurer Unable to Con-  
tinue After Couple of Years'  
Work.

St. Marys baseball team was admitted  
to the East End League to replace the  
Ramblers, who vacated after the Dis-  
ciple trouble, at a meeting of the league  
executive, held last evening.

St. Marys will not be ready to enter the  
league in championship games until next  
week, but St. Marys and St. John's will  
play on the holiday morning.

Secretary Fred Simmons, in tendering  
his resignation last night, stated that the  
duties of the office had become such that  
he was unable to give the work the neces-  
sary time. Mr. Frank Gray, a former  
secretary of the league, was appointed in  
his stead. Vice-President Charles Moore  
had agreed to take over a portion of the  
work, and will compile the official aver-  
age at the close of the season.

Owing to the retirement of the Ramblers  
the first series ended in the summer  
between St. John's, McClarys and the  
Jubiles.

Secretary Simmons submitted a report  
of the finances of the league, which are  
in excellent condition, and no further  
trouble is anticipated. The management  
of St. Marys team is under the management  
of James Fitzmaurice.

## CANTILLON WINS WADDELL CASE

National Commission Turns Down  
Hedge's Request To Apply  
Pitcher's Salary.

Cincinnati, O., June 28.—In a deci-  
sion handed down today the national  
baseball commission declined to en-  
force the request of President Hodge,  
of the St. Louis American League  
Club, that Minneapolis team of the  
American Association apply the earn-  
ings of Pitcher Waddell to the pay-  
ment of \$1,223 claimed to be due the  
St. Louis club from Waddell.

President Cantillon, of the Minne-  
apolis Club, in a statement declared  
that Waddell also was indebted to his  
club and on that showing the commis-  
sion decided that it would be unfair  
to ask that club to pay the St. Louis  
claim before his obligations with his  
own club had been met.

## JIMMY DOYLE WINS.

Chicago, June 28.—Jimmy Doyle, third  
baseman for the Cubs, gained a victory  
yesterday when the National Commission  
declared the Louisville club of the Amer-  
ican Association was indebted to him in  
the sum of \$23, as his share of the pur-  
chase money paid by President Murphy,  
of the Cubs, for his release. Doyle, a  
son of the Louisville club, offered a de-  
fense which did not appeal to the National  
Commission, and he was ordered to pay  
the money to Doyle.

## DRIVER SHAFER HURT ON TRACK

Unexpected Move by Henderson  
Causes Geers' Assistant To Go  
Into Him.

Indianapolis, Ind., June 28.—The  
first accident of the season on the  
state fair grounds, where more than  
300 horses are in training, gave the  
spectators an extra thrill this morn-  
ing.

Lafe Shafer, one of the assistant  
trainers in the stable of Ed. F. Geers,  
was thrown from his sulky and seri-  
ously hurt. He was a victim of a col-  
lision with J. H. Henderson, of  
Owensboro, Ky., the latter turning  
out unexpectedly on a turn of the  
track. Shafer was thrown high into  
the air, alighting on his arm and face.

His face was bruised and his arm  
badly wrenched, and as a result he  
will not be able to drive for several  
days. He was driving the trotter Jack  
Promise, which raced the complete  
length of the track before he was  
caught.

Henderson, who was driving the  
trotter Red Metal, escaped injury, but  
his bike was completely demolished.  
Henderson acknowledged that it was  
his fault. He is deaf and could not  
hear Shafer coming fast behind. More  
than 25 horses were on the track at  
the time.

## TWO PLAYERS FOR BRANTFORD.

Brantford, June 28.—Harry Weav-  
er, of Wheeling, W. Va., and J. Court-  
ney, of Randolph, Mass., arrived here  
tonight. Both are infielders, and will  
join the Brantford team at London  
today. Second baseman Duffy, in-  
jured by a pitched ball at London a  
few days ago, will not be in the game  
for a week.

## ENGLISH COUNTY MATCHES.

London, June 28.—In county cricket  
games today, Surrey beat Yorkshire  
by four wickets. Middlesex beat Somerset  
by nine wickets. Marylebone beat Oxford by three  
wickets.

## OWEN MORAN AND WOLGAST READY

Pair Will Battle for Twenty  
Rounds for Champion-  
ship on Tuesday.

## CHAMPION IS FAVORITE

But Englishman Declares He Will  
Win by a Knockout Blow.

Wolgast and Moran, who fight  
twenty rounds for the lightweight  
championship of the world in "Prison"  
next Tuesday afternoon, have agreed  
upon straight Queensberry rules.  
That is to say, they will do no wrest-  
ling or hugging and will come out of  
clinches at the command of the ref-  
eree, Jack Welch. They can hit as  
long as their hands are free, and can  
also deliver blows on the breakaway.  
But there must be no holding and hit-  
ting, and the referee will have the  
power to disqualify either if after a  
warning the offence is flagrantly re-  
peated. As these pugilists are inclined  
to indulge in rough tactics, it is be-  
lieved that the referee will be com-  
pelled to exercise unusual vigilance.

Welch is the best referee in Califor-  
nia, and bears an excellent reputation  
for fairness and competency. If he  
should be forced to disqualify one or  
the other it would be due to a glaring  
violation of the rules, but there is as  
much at stake that ring followers be-  
lieve the fight will be clean.

## Wolgast Favored.

Wolgast rules favorite at 10 to 7,  
and there seems to be no doubt that the  
olds will lean his way when he enters  
the ring. He is finishing his training  
with great vigor and confidence and his  
friends are going to bet the limit on his  
chances. He got on the scales Saturday  
and tipped the beam at 122½ pounds,  
which is his normal weight. He is in  
excellent condition and his endurance  
is perfect. He expects to win the fight  
by a knockout blow.

Moran, on the other hand, will weigh  
about 125 pounds, according to his man-  
ager, C. J. Harvey. The Englishman is  
as hard as nails and says he is ready to  
put up his best fight. He expects to  
have that Wolgast is a real champion  
and predicts that he will win by a knock-  
out.

## Some Feeling.

Moran doesn't like a half in the light-  
weight champion's head. That is due  
to several reasons, one of which is the  
fact that Wolgast refused to make the  
match unless he received \$12,500 win,  
lose or draw. But if the gate receipts  
reach the \$20,000 mark, as promoter  
Goffrich expects, Moran will take down  
nearly \$10,000 for his end, regardless of  
the result.

Although the match is billed in "Prison"  
as a "boxing contest" it is expected to  
be a grueling fight all the way be-  
cause of the ill feeling between the men  
and the tendency of each to go in and  
slug. If Wolgast and Moran adopt the  
latter tactic it is predicted that the  
fight will come before the twentieth round  
is reached. There is much private specu-  
lation on the scrap among local sport-  
smen, many of whom are taking the  
Moran end.

## PITCHER SMITH, OF RED SOX, OUT FOR A SEASON

Brantford Southpaw, Who Dislocated  
Arm, Returns Home to Mas-  
achusetts.

Pitcher W. Smith, the Brantford  
man, who dislocated his left arm—a  
valuable twirling member—by falling  
while chasing a fly in the outer gar-  
den, during the game between Brant-  
ford and London yesterday afternoon,  
will be out of the game for quite a  
period as a result of the mishap.

He was looked after by Dr. L. S.  
Holmes, who was in the stand, and  
left for his home in Massachusetts  
last night. The Red Sox have met  
with unusually hard luck since in  
London, three players having been  
sent out of business. A dispatch to  
The Advertiser states, however, that  
Duffy will be able to return in a  
week.

## TWILIGHT MEET

Physical Director Sovereign Arranges  
July Programme.

Physical Director Sovereign, of the  
Y. M. C. A., is arranging for the  
light athletic meet at Queen's Park  
to be held each Monday during July,  
with the exception of July 3.

The contestants will be divided into  
two classes, A and B, the first lot to  
be handicapped, and the second to be  
made up of those who have never be-  
fore competed. All entries must be  
made with Mr. Sovereign at the Y. M.  
C. A. The events will commence at  
7 o'clock in the evening, and are open  
to members only.

## SPECTATOR A CORPSE

Dead Man "Watches" Billiard Games  
For Several Hours.

Pittsburg, Pa., June 28.—For seven  
hours last night, James Harding, a  
negro, sat in a billiard hall here, ap-  
parently intent on the games being  
played. At closing time one of the  
proprietors stepped up to remind him  
of the time, and found Harding a  
corpse. Physicians said he had been  
dead several hours.

## LANGFORD EXPECTS EASY VICTORY OVER FITZGERALD.

New York, June 28.—Sam Lang-  
ford is looking on the job of prepar-  
ing for his ten-round light tomorrow  
night with Jack Fitzgerald. The "Bos-  
ton tar baby" was in fair shape when  
he arrived here in a light shape when  
he did for his fight with Tony Capone.  
Langford says that it won't take much to win over Fitzger-  
ald, and he doesn't propose to endure  
the terrors of hard training in such  
weather as at present afflicts New  
York. The interest in the bout is in  
the appearance of Langford, who  
many people believe, is the only man  
in the country that has a chance  
against Jack Johnson.

## DONLIN GETS BOUQUETS.

New York, June 28.—Mr. Don-  
lin's friends in this city presented the  
former Giant captain with two separ-  
ate festoons of flowers, each with  
Mike's name set in large letters, when  
the Giants opened at the Polo Grounds  
this afternoon.

## YESTERDAY'S SCORES

prising Display at Guelph  
Tourney.

Guelph, June 28.—The second day's  
play in the Guelph bowling tourna-  
ment saw the semi-finals in the Scho-  
field trophy competition reached, and  
some splendid games were played. The  
two links left in this competition are  
Toronto, both of whom won their  
semi-final games rather easily this  
afternoon. They will play the final  
game at 2 p.m. tomorrow.

In the Royal City competition four  
rounds have been played, and also  
four in the Wellington competition.  
The feature of the day was the play-  
ing of H. Mahoney's Colts, who have  
lost their link. They have won some close  
games, and have made some strong  
finishes. Following are the scores of
