## How It Looked From the Sidelines

We must take off our caps to "Cap" Stephens, who has given London and the Western University, the best junior football team in Canada today, even though some of our Petrolea friends declare that they were beaten out of it. The whole London team should be plastered with bouquets for the manner in which it has played this year. The boys are all speedy, and have the beef to back up their speed, as the O. A. C. lads found out to their sorrow on Sa-

turday afternoon. The latter crowd should not be left out, when the roses are passed, as they all played a star game, and gave the London team the hardest game that it has played this year.

Bill Duffield made the pretnest tackle of the afternoon, when he made a flying dive at the tricky Mr. Agar who had just nicely started on a run. He had got past Bill, but the latter turned, and quick as a flash threw himself at the O. A. C. half. A gamer lot of football players never stepped than this same bunch of farm-ers, the boys from Guelph taking some terrific battering on the line.

Petrolea, Sarnia, Parkdale, Capitals and Dundas all succumbed to the terrific line plunging of Bill Duffield, Tiny Sage, and "Hogan" Rowman, early in their respective games, but the Guelph bunch, though clearly outweighed, held like a stone wall until half time. As tacklers, they are the best that have visited London in some time getting their way. in some time, getting their men

Consequences. It is a wonder that more of the Aggies were not put out, when you consider that Tiny Sage, Bill Duffield. Fitzgerald and Rowan were behind nearly every one of those bucks.

Towards the end of the game that more also hurt the Toronto referee's feelings on several occasions, and was ruled off accordingly. DeGrouchy declared after that was going to take Chatto's case before th O. R. F. U., and have him barred from playing in the union. Towards the end of the game the O. A. The boys from O. A. C. were surprised that there was not a big parade after the college winning the Dominion championship. Local fans have come to consider that Art Smith is about the only man in the country that knows how to drop kick. On Saturday afternoon Raymond and Agar, both made two of the prettiest field goals that were ever kicked on a local gridiron. Both lads got a hand from the crowd for their feat.

To play three games in one week is some trick, but to win all of three is a wonderful thing for any team. Argonauts did it in spite of all predictions that no team could stand the terrible gruelling that a team is sure to bump into in doing such a thing.

Contrary to expectations, Argon were able to appear with their strongest line-up. Wendell Holmes, the sterling half-back, was in the game for the first time since he was injured in Ottawa on November?. Motley, though threaten-ed with pleurisy, went into the game in fairly good shape.
