Vinol
CREATES STRENGTH
FOR DELICATE CHILDREN

A New York Mother Tells How Her Little Son Was Made Strong

New York City.—"My little boy, seven years old, was very ill with gastritis, then he contracted measles from the other children, pneumonia soon followed, and there seemed no hope of saving his life. However, we fought off the disease and he recovered, but was in a very weak and delicate condition. The doctor prescribed cod liver oil, but his little stomach swelled up like a drum, and the doctor said there was no cure for him. I decided to try Vinol, as I had used it myself with splendid results, and it seemed to agree with him. That bloated condition soon disappeared, and now he is a strong, healthy boy, thanks to Vinol."—Mrs. THOMAS FITZGERALD, 1090 Park Ave., New York City.

We know Vinol will build up your little ones and make them healthy, strong and robust, therefore we ask parents of every frail and sickly child to try a bottle of Vinol, our delicious cod liver and iron tonic without oil, children like it because it tastes good.

Saints Held First Practice On Wednesday

Dave Inker and Several Pitchers Have Reported To "Dad" Stewart.

ST. THOMAS, May 6.—The Saints are beginning to blow in for the spring training. Dave Inker, the Detroit boy who backstops part of the time, and also takes a whiff as the club's utility man, was the first to reach the city.

In the afternoon, Pitchers R. and L. Graham, from Melbourne, two youngsters trying for a place on the twinning staff, and Hindmarsh, a left-handed pitcher, from Alisa Craig, arrived. The latter is a giant in proportions, and should, if size is any criterion, make the grade. Later in the afternoon the first work-out was held at the athletic grounds. The squad was composed of Harry Howick, Inker, the two Grahams, Hindmarsh, Forgue, Gadsby and Manager Stewart. The other players are expected to drift in tonight and Friday.
