Second Division.
 Proficiency.
 Marshall Ganner, Third Division;
 City and Punctuality, Lillie Jenkins, Division.

List Second Division—Anatomy prize, Ernest Turner, Division;
 English History, Cliff Jenkinson; Composition, Hilda Grammer, Division;
 Canadian History, Eveline Gertrude Jenkinson; Head of class, Augustus Sullivan; Composition, Henry Carroll, Division;
 Agricultural History, Ellen Kaye; Agricultural History, Jenkinson; Practical Hygiene prize, James Somerville, Division.

DIVISION—MR. JOHN J. STEPHENSON, TEACHER.
 noted to Third Division—Charles Eton, James O'Neil, William Williams, Dora Harper, James Charles Wilson, Robert Semple, Percy Chester Brennan, John McDonald, Andrews and Claude Wilde; Alex. recommended.

DIVISION—MR. JOHN J. STEPHENSON, TEACHER.
 noted to Fourth Division—Edwin Smith, Archie Gillespie, Andrew Maud Brown, Gertrude Craft, Daisy Gertrude Smith, Mary McNaughtly Skinner and Lily Carrissey, Carroll and George Koller, recom- mended.

List—Roll of honor and prize, McNaughton; prize, Edwin Tait; honor for Department, Archie Gil- bert; roll of honor for Regularity, John A.; prize for Temperance, Dora Jenkinson.

DIVISION—MISS M. A. GARDIN, TEACHER.
 noted to Fifth Division (14 out of a 25 pupils)—Edith Sophia Kopsen, a. Julie Cullin, Wilhelm Kopsen, Hanny and Viola Hattie Williams; E. Shaw Somerville, Peter Bug, Fred Kirk, Viola Ethelma Semple, alter Jenkins, Arthur Bings, Cath- arine, Reginald, James Edwards and George Marshall Knox.

List—Roll of honor for proficiency, Semple; roll of honor for Regularity, Department, Victoria Koller; geography, Wilhelm Kopsen.

DIVISION—MISS M. A. GARDIN, TEACHER.
 noted to Sixth Division (20 out of a 25 pupils)—Della, Elizabeth Wat- son Tennent, Ethel Sarah Wat- son, Annie Fawcett, John Voss, Ad- elphie Weaver, George, Holland O'Neil, May Marion Dun- smuir, Stanley Atkin and Herbert Knappett; Walter John Dunsmuir, Edgar, Francis Gordon, James Brown, Andrew Buglar, En- an Furman, and Herbert Gladstone

SPORTS AND PASTIMES.

The most interesting, practically the one and only, home sporting attraction of yesterday was the meeting at cricket of the representative Vancouver and Victoria eleven. The match was played at Caledonia park, commencing at 10:30 in the morning, and resulted in the home team being defeated by five wickets.

Warden, of Victoria, won the toss and elected to send Vancouver in first—a method of procedure hardly justified by the result. Mahon, 27; Dean, 18; Chaldecott, 20; Brown, 12; Clinton, 10; and extras 24, all contributed to a total of 143. Victoria could only reply with 65, Barff 13 and Warden 16 being the only ones to secure double figures. At the second time of asking the home team showed much better form. Stove 29, Morley 14, Barff 16, Ward 20, and well played innings—and toward 30, the last being a very freely hit score indeed, levelled the total to 126. Vancouver required 40 to win, and lost 10 wickets in securing this. The following is the score and analysis:

Total.....	143

Upon the arrival in the field of the Admiral and his staff, on the command from the brigadier commanding officers will bring their men to the shoulder. Firing the feu de joie will be the next order, and as there will be two battalions of field guns in line, the firing will be done somewhat differently from what has hitherto been the practice on these occasions. On Monday the field guns on the right will fire the usual seven rounds and the fire will run down the front rank, when the battery on the left will take it up and fire their seven rounds, then up the rear rank from left to right the fire will run. This will be repeated twice again. A royal salute will then be given, for the commanding officer of the Fifth Regiment playing the national anthem. The brigade com- mander in order "three cheers for the Queen."

YACHTING.
AN ADDITION TO THE FLEET.
Yesterday gave yachtsmen and water- front folk generally an admirable oppor- tunity of estimating the progress of the latest addition to Victoria's white- winged fleet—the new yacht *Allie*, just completed by Mr. T. Morrall, taking her maiden cruise in the morning. She is an excellent specimen of the Gunther type, 18 feet on the load water line and 25 feet over all carrying plenty of sail and giving promise of both speed and steadiness. She will be sailed this season in C class by Mr. C. A. Godson.

LACROSSE.
INTERMEDIATES AT NANAIMO.
NANAIMO, June 19.—The lacrosse match here to-day between Nanaimo and New Westminster was won by the latter by 5 goals to 1.

BASEBALL.
LEAGUE GAMES OF YESTERDAY.
At Brooklyn—Brooklyn, 1; Cincinnati, 0.
At Baltimore—Baltimore, 1; Pitts- burg, 7.
At Philadelphia—St. Louis, 5; Phila- delphia, 4.
At Boston—Boston, 7; Chicago, 3.
At Washington—Washington, 13; Louisville, 7.
At New York—New York, 8; Cleve- land, 4.

FENIAN RAID SERVICE.
TO THE EDITOR.—In response to your request for the names of the men who served in the Canadian militia during the Fenian raids from 1866 to 1870, I have to say that I served at Sarnia under Captain James McPherson of the Wat- ford company of the 27th Lambton Bat- talion. I was also one of those who served under Captain Stewart Milvey of Winnipeg during the threatened invasion at Pembina in 1871.

DAVID LAMB.
Langley Prairie, June 11, 1897.
Not many business houses in the United States can boast of fifty years standing. The business of Dr. A. C. Ayer & Co., Lowell, Mass., whose incomparable Sarsaparilla is known and used everywhere, has passed its half-centennial and was never so vigorous as at present.

THE MILITARY REVIEW. LONG MAY SHE REIGN.

Two Brigades Will Form the Force at Macaulay Point on Monday.
Victorians Join With All the Empire in Hearty and Sincere Thankgiving.

With to-day's impressive thankgiving services at Beacon Hill park, Victoria's celebration in honor of the Diamond Jubilee will be formally in- itiated, the programme in abstract for this afternoon and to-morrow being:

TODAY—SUNDAY.
2:30 p.m.—Parade of H. M. land and sea forces, massed bands and secret societies, to Beacon Hill Park, and at 3:30 p.m.—Impressive thankgiving exercises at the park.

TOMORROW—MONDAY.
9 a.m.—Destruction of the old San Pedro.
10 a.m.—Championship lacrosse match, Vancouver vs. Victoria, at Caledonia park.
3 p.m.—Military review and demon- stration by land and sea forces, at Macaulay Point.

TUESDAY.
4 p.m.—Aerial slide by sea from tower of Driford hotel to corner of Yates and Broad streets.

WEDNESDAY.
Firing of the gun during beacon fires, to be viewed from the public park; Illumination of British Columbia's new parliament buildings; The Canadian Ensign, banded together at Caledonia park; Promenade concert by the band of the Fifth Regiment at Oak Bay beach; Boxing tournament at the Victoria theatre; and National concert and dance at A.O.U. W. hall, Yates street.

THURSDAY.
Soldiers and Sailors, Societies and Cit- izens Join in the National Thankgiving.

To-day is a proud day for the Sons of England, not in the city of Victoria alone, but in every corner of the earth where the meteor flag is flying—which is everywhere. In this order of the day the imposing religious services opening Victoria's celebration are due; it is this great loyal society that has perfected the programme for the thankgiving exer- cises follow the sun and thus circle the globe with songs of rejoicing at the completion by Her Majesty the Queen of the greatest deed in Great Britain's history. The services will commence in the colonies of New Zealand and Aus- tralia, where services have been arrang- ed, afterwards in South Africa, and to follow the orb of day westward. Upon the sun having crossed the ocean and reached the Pacific, the citizens will be invited to have the thankgiving exer- cises at the beginning, having kept com- pany with the hours and traversed the world in one unbroken line through the Colonies of the Empire, the United States, and the British Empire. It is to the lasting credit of the brother orders that as soon as the plan of the Sons of England had become gen- erally understood, each and every one ready to make the proceedings general.

And so satisfactorily have efforts in the U.S. and Oregon been made, that pres- ervative services in this city will be participated in by not the Sons of Eng- land alone—the Sons of England, the Independent Order of Odd Fellows, the Sons of St. George from all parts of Vanco- ver Island, the Ancient Foresters, the Knights of Pythias, the Ancient Order of United Workmen, the Royal Order of the Sons of Erin, the British Columbia pioneers, and the members of the St. William Wallace and St. An- drew's and Caledonia societies.

The Sons of St. George and Sons of England have the arrangements in hand, and have obtained through the kind per- sonal assistance of Mr. T. Morrall, presi- dent of the Sons of England, the use of the hall at 2:30 p.m. in charge of the marshals and secretaries are requested to marshal their men in good time. The Pioneer Society, the Orangermen from Saanich and Sidney have arranged to come by special train, while the mus- ical societies of the Sons of England embrace besides the local lodges a numerous delegation from the Main- land which arrived late last night. The Sons of St. George from Victoria and Nanaimo are to arrive by the noon train to-day, being met of course at the depot. In addition to the large representa- tion of societies, the great semi-religious festival of thankgiving will be joined in by the military and navy, while the massed bands of the flagstaff and the Fifth Regiment, as well as the great choir of nearly three hundred voices will be under the direction of Mr. J. M. Finn.

As to the order of parade to the park, the following instruction to all interest- ed has been issued by Mr. Noah Shake- speare, the chairman of the committee, and Mr. Thomas Bradbury, the marshal of the day:

"All societies taking part in the pa- rade will parade two deep on Yates street not later than 2:30 p.m. in charge of their respective marshals. The Sons of St. George will take up position be- tween the A.O.U.W. hall and Quadra street, facing the Royal Order of the Sons of Erin, followed by the band of H.M.S. Impervience, which will march through the park, and the Pioneer Society will take up the head of the procession on its arriving at the cor- ner of Yates and the one front. The Sons of St. George will open order, and the following instruction to all interest- ed has been issued by Mr. Noah Shake- speare, the chairman of the committee, and Mr. Thomas Bradbury, the marshal of the day:

"My every thought is of her."

WANTED AT ONCE.
The recent unsatisfactory termina- tion of negotiations looking to the build- ing of the Coast and Kootenay railway was the occasion of a special meeting of the Board of Trade Council yesterday morn- ing. President Ker was in the chair and the meeting was also attended by Messrs. G. A. Kirk (vice-president), A. H. Smith, J. H. Taylor, J. A. Telfer, Charles Hayward, F. E. Pemberton, E. Pearson, T. B. Hall, William Temple- man and F. Elworthy. The presi- dent urged the Board to consider the matter should lose no time in endorsing the desirability of such assistance being given as will assure the early construction of the Victoria and Nanaimo railway. The view of the situation was shared by all present, and upon motion of Messrs. E. Pearson and F. Elworthy, a resolution was adopted that the secretary yesterday afternoon telegraphed as fol- lows to the Dominion Minister of Rail- ways:

WANTED AT ONCE.
Hon. A. G. Blair, Minister of Railways.
The British Columbia Board of Trade strongly urges immediate construction of railway Rossland to Penticton as abso- lutely necessary with view extension to coast in the near future. It delayed develop- ment of the country related and great commercial injury will result. Must head of American roads, their engineers in field. (Sd.) F. ELWORTHY, Secretary.

deep, open order, and all the Grand Lodge officers and officers of the subor- dinate lodges will take up position and pass through the ranks, when they, with the Pioneers, will enter the square, fol- lowed by the members. After the ser- vice the sections will reform, the Sons of England leading and the Sons of St. George bringing up the rear. The line of march will be along Yates street, Gov- ernment street, Birdcage walk, Michi- gan and South Park streets to Beacon Hill. All marshals are urgently re- quested to meet at 1:30 at A.O.U.W. hall.

THE TENTED FIELD.
The Mainland Battalion Goes Under Canvas at Beacon Hill.

On the eastern slope of Beacon Hill park and opposite Humboldt street, a small encampment has been formed and for the next few days the erstwhile peaceful glades of the city's pleasure grounds will resound with clink of arms and the tread of the armed men of the Mainland battalion, Fifth Regiment. At night the ceaseless tramp of the ever- watchful sentry will resound where watchful was wont to break the solemn rhythm of the night save the hoot of the sad-eyed owl in adjacent aviary. The site which has been selected for the camp is convenient to town and protect- ed from the cold breeze from the waters of the Straits. The commissariat ar- rangements are such that the men will take their meals at the various city restaurants. The battalion under com- mand of the new commandant, Lieut.- Col. Wornam, arrived from Vancouver by the Queen's Head early this morning, and marched out to the park where they remain under canvas during their two days' stay in Victoria.

To practice the manoeuvres for to- morrow's grand review was the object of the assembling on Macaulay Point yester- day of the combined naval and mili- tary forces. All the battalions which are to take part in the *piece de resistance* of the holiday celebration were present except the No. 2 of the Fifth Regiment, which only arrived in town at an early hour this morning. No. 1 Battalion, under Major Williams, headed by the regimental band marched through camp, and on arriving on the reviewing ground was formed up on the left of the line- ing the powder battery of field guns from Macaulay fort, in charge of the R.M.A., on the left.

The right of the line was occupied by light field guns from the navy, and next in the alignment was a battalion of eight companies of bluejackets. These formed the First Brigade, while the Royal Marine Light Infantry, banded together of the Royal Marine Artillery from the ship formed No. 1 battalion of the Second Brigade, which, when completed on Monday, will also include Nos. 2 and 3 battalions of the Fifth Regiment and the fortress battery of field pieces.

Trigging of the feu de joie was prac- tised, and the whole force in the regu- lar manner both in column and quarter column. The picture presented by the blue- jackets as they went past with their well known swinging step to the tune of "Lie on the Ocean Wave," was a striking one. After the march past Lt.- Col. Wheeler, the brigadier, compli- cated in the manner in which it was done and referred particularly to the marching of the First Bat- talion.

The work of the afternoon—occupied about two hours and was full of interest to all who took part. To-morrow's review, as described in detail yesterday, will be upon precisely similar lines.

BEACON FIRES.
They Will Blaze To-morrow Night From Race Rocks to Oak Bay.

Entering into the spirit of the inten- tion to circle the globe with bonfires lighted in all the lands which form the British flag, Victoria will to-morrow send up such a blaze that it will be seen for miles, and no doubt be visible across the Sound. Chief Deas, who is in charge of the arrangements, has had men employed, erecting enor- mous lights on the old lumber on Finlayson Point on the east and its companion point to the west of Beacon Hill. Each of these piles is 20 feet high and 40 feet in diameter at the base. In addition 25 tar barrels crown each pile. To add to the effect, when these night piles are fired to-morrow night numerous other bonfires will blaze along the coast, for at Chief Deas's request the old pioneers who are now ending their days in the Old Man's Home will do their share towards the loyal celebra- tion by erecting a beacon light on the beach at Ross Bay; there will be another beacon light at Oak Bay, and above to the west, away down at Race Rocks, will be still another, the R.M.A. and Royal En- gineers having a light at Macaulay Point, making the fiery chain from Race Rocks to Oak Bay.

To add to the effect at the hill, quan- tities of white and blue fire will be set off. The time set for lighting the beacons is 9:30 p.m.

Another most attractive sight along the shore line will be the illumination of the new parliament buildings, the design being to set off in lines of fire the graceful contour of the central building. This of course will be in addition to the lighting up of all the windows in the upper portion, the fixtures not being yet ready for the rooms on the ground floor. A way up on top tipping the flag pole of Captain Van- couver on the dome will be 2,000 candle power moel electric light, and at his feet two similar lights. Over 500 lamps additional will be used to outline the octagonal dome and the cen- tral portion of the main building with a row of lights over the main entrance and a huge V. R. surmounted by a crown, the whole eleven feet high. G. C. Hinton & Co. are busy putting up these lights, and a large cross of electric lights will also beam over the waters from a lofty tower of Christ Church cathedral.

The greatest Fourth of July celebra- tion in the state will be held in Seattle on Thursday, Friday and Sat- urday, July 1, 2 and 3. Over \$5,000 will be expended in affording entertainment for the thousands of people who are ex- pected to visit the city. Low rates on all railroad and steamboat lines will make it possible for a great crowd from every section of the state to join in the patriotic demonstration. Among the attractions will be two nights of fire works, a grand parade, a regatta, a meet, sham ball, band concert, yacht races and water carnival, grand parade, shooting tournament, baloon ascension, fire department tournament, lacrosse game and various athletic sports.

A FARMER'S STRUGGLE

TO REGAIN HEALTH ENDS SUCCESSFULLY.

He Was Attacked With La Grippe and Unable to do any Work, Subject to Sinking Spine, and That Approached Total Unconsciousness.

(From the Cookshire, Que., Chronicle.)
Mr. Newell Waldron is a well known farmer living near East Cliff. His friends and neighbors know he passed through a very trying illness as the result of a severe attack of la grippe, and when correspondent of the Chronicle called upon him he had no hesitation in giving the particulars of his illness and cure. Mr. Waldron said, "I believe I owe my life to Dr. Williams' Pink Pills, and I am glad to have the chance to say a good word in favor of that reliable medicine. During the winter of 1888 when la grippe was so prevalent, I had a severe attack of it, and it left me so weak that I was unable to do work of any kind. I consulted a doctor but as he did not appear to help me I began using different advertised medicines, but the result was the same. I got no benefit, on the contrary was growing weaker. At times I was subject to sinking spells, which verged upon total unconsciousness. I was falling day by day and was becoming hopeless. A neighbor who called to see me urged me to try Dr. Williams' Pink Pills and I sent for a few boxes. After using them for a few weeks I began to feel better, and after the first symptoms of relief I began to gain steadily. I am now as well as any man, and can do as good a day's work as ever did. I know that my cure is due to the use of Dr. Williams' Pink Pills, and I am always glad to recommend them. Dr. Williams' Pink Pills are not a patent medicine, but a prescription. An analysis of their properties show that they contain in condensed form all the elements necessary to give new life to the system, to blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheuma- tism, nervous headache, vertigo, indigestion, grippe, palpitation of the heart, pale and sallow complexion, and the tired feeling resulting from nervous prostration. All these diseases resulting from vitiated humors of the blood, such as scrofula, chronic erysipelas, and leprosy, and all affections of the skin, peculiar to females, such as suppression, and all debilitating and debilitating weakness. They are for sale by all druggists, or may be had by mail from Dr. Williams' Medi- cine Co., Brockville, Ont., for 50 cents per box or six boxes for \$2.50. Refuse all imitations and send medicines alleged to be "just as good."
