Side the Actual  
Conditions.

ly reports have been received  
from private sources to the  
of the earthquake shocks at  
also were by no means over-  
reminders of varying intensity  
at frequent intervals, says  
over World. These reports  
ushed from public notice by  
San Francisco press and public so  
mistic world may not know  
which exist and will fur-  
confidence in the ruined  
the night of June 4th a shake  
which was briefly reported to  
and recorded in the  
city. The following is the  
it appeared in the San Fran-  
placed at the foot of a  
the back page among the ad-  
s.

o'clock last night a sharp  
shock was felt throughout  
to damage was done. It was  
ly felt in the city. The  
in one of the rooms was  
a table by the tremor.

ing report concerning the  
Miss Isabel MacLean, who  
June 5th, would prove that  
nce was of far greater im-  
result than the outside  
to be believed. The in-  
formation furnished:  
night—two hours ago—the  
y was awakened by a loud,  
like, like deep thumping, ac-  
by a severe shock, which  
houses like storm-tossed ships  
everybody out of bed in a  
This is the heaviest shock  
15th. The direction of the  
was north and south, as ob-  
serving the pavements.  
be said to hold true in all  
city, as in the disaster of  
April, while some places  
E. and S. W. cut, others  
showed an opposite course.  
neighborhood every window  
ejected people called to each  
other in the streets.
