WEDDING BELLS

MOORE-BALTZER

Middleton, August 29—A marriage of unusual interest took place this morning in the United Baptist Church of this town, the contracting parties being Miss Adelaide, youngest daughter of J. Henry Baltzer and Carman, only son of G. M. and the late Mrs. Moore. The church chancel was most artistically decorated with asparagus fern and golden glow, the fern forming an effective background for the mass of "sunshine" flowers that filled the whole front of the church.

Promptly at 9.30 the bride entered the church on her father's arm and took her place beside the waiting groom. Miss Baltzer wore a tailored costume of reindeer brown with hat to match and looked very lovely. She carried a large bouquet of "Sweetheart" roses. The ushers were Messrs. John Marshall, Corey Baltzer, Blair Reed and Mr. Payson, a cousin of the groom. They grouped themselves on either side of the young couple during the service.

Rev. Dr. Hutchins performed the double ring ceremony. He was assisted by Rev. Donald McDonald, of Corea.

The wedding march was rendered by Miss Audrey Parker in a highly efficient manner. The guests included relatives and a few intimate friends. After the ceremony, the wedding party went to the bride's home where Mr. and Mrs. Moore received the usual hearty congratulations of their friends. A lunch of exquisite delicatessen was served. The presents were most numerous and eloquent, silver, pyrex, and hand embroidered linens being predominant. The groom's gift to his bride was a substantial cheque and the organist was the happy recipient of a beautiful brooch. Handsome cheques were also given by the respective fathers of the young people. A very pretty feature of the affair was the distribution of the bridal bouquet to the various guests, each person receiving a rose.

After the luncheon Mr. and Mrs. Moore left by motor on a trip around the South Shore of Nova Scotia, visiting Bridgewater, Chester and various other towns. On their return they will take up residence here. Mrs. Moore has been for a number of years vice principal of the McDonald school and was a most successful teacher. Both young people have many friends and the whole town unites in wishing them a prosperous and happy wedded life.

TENNIS IN MIDDLETON

A friendly tennis tournament was featured at Middleton on Saturday last between the Bridgetown Tennis Club and the Middleton Club. After the play the visiting members were served to a very sumptuous tea on the grounds of the Club.

The Bridgetown Club were the winners, the events being as follows: Mrs. F. R. Fay and Miss Ethel Daniels defeated Miss Beatrice Gullivan and Miss Kathleen Magee, 6-2, 3-6, 6-1.

Mrs. H. Hicks, Miss F. Fowler defeated Mrs. C. Balcom and Miss J. Messenger 8-6, 6-1.

L. Ruggles and H. Hicks defeated C. Fisher and L. Andrews 6-1, 6-2.

Max Young and James Fay defeated Jas. MacDaniel and B. R. Hunter, 6-3, 6-3.

Mrs. F. R. Fay and L. Ruggles defeated Miss Beatrice Gullivan and C. Fisher, 6-3, 3-6, 8-10.

Mrs. H. Hicks and Jas. Fay defeated Mr. B. Balcom and B. R. Hunter, 6-3, 6-3.

IMPROVED TRAIN SERVICE FOR BRIDGETOWN

Mr. Baine, district Superintendent of the Canadian National Railway, and Mr. Robinson, District Engineer, arrived in Bridgetown last Wednesday in their private car attached to the H. & S. W. express. It is reported that the C.N.R. will put a "Y" in at Bridgetown and give us a tri-weekly service in the near future instead of running a train once a week on the Middleton-Port Wade branch as in the past.

THE GRANVILLE BRIDGE

The bridge to Granville now stretches 779 feet from the Annapolis side, the big span of 284 feet having been successfully floated into place on Tuesday afternoon and a fifth span of 100 feet Wednesday. It has been decided to plank the bridge instead of making a concrete deck as originally intended, the planing being much more expeditious and good for four or five years at least.

ARRESTED IN CANNING

The Truth About High Blood Pressure

High blood pressure is a common complaint. Thousands of patients have visited their physician to be informed that they are suffering from this condition.

They are doped, and dieted until all the resources of the physician are exhausted, only to learn that their blood pressure still remains the same.

Did any physician ever tell you the real cause of high blood pressure? Of course he said it was due to hardening of the arteries (arterio-sclerosis); but did he say what caused that? Then did he prove that he knew what he was talking about by removing that cause and getting you well?

He Did Not

Can anyone tell you the real cause and prove his contention by getting you well?

The Chiropractor Can

Let's be logical. There isn't anything mysterious about this business of high blood pressure. First, every blood vessel in the body has a wall containing muscle fibres, which encircle the vessel like the thread on a spool. These muscles, like the muscle of the arm are contracted and hard, or relaxed and soft in response to the vital energy sent to them through nerve fibres from the brain. From a certain small center in the brain, this control is maintained. If that center is abnormal in its function a continuous abnormal contraction exists and the blood vessel is made smaller than normal, with hard walls. This naturally compresses the blood, and we have high blood pressure.

Why is the brain center abnormal in its function? Because of pressure on the nerve fibres supplying this brain center. Where can these nerve fibres be pressed upon? Where they pass out from the spine, between adjacent bony segments. Why this pressure? Because the bony segment is out of its normal position and decreasing the size of the opening through which the nerve passes. How does the Chiropractor relieve the pressure? By adjusting the bony segment (with his bare hands alone) back to its normal position.

The use of dope, drugs or diet a lifetime, will not reach the real cause. You have proven that yourselves.

Give your Chiropractor the opportunity, and he will prove his contention by restoring your health.
