INTRODUCTORY:

IF ANY APOLOGY is needed for the appearance of "THE WESTERN CHURCHMAN," it is to be found in the fact that a large number of church folks, both clerical and lay, have expressed a wish for a full and authoritative account of the arrangements that are being made for the Second General Synod of the Church of England in Canada, which meets this month in Winnipeg. The present number gives such an account, also historical sketches of the Archbishops and Bishops of the Two Ecclesiastical

Provinces, and an account of the Winnipeg churches and clergy. Other interesting sketches are also given. The second number, which will be published at the close of the Synod, will give a full report of the Synod's proceedings. His Grace the Primate has given his cordial sanction to the undertaking, and has placed at our disposal all information that is available for publication. Every effort has been made to render these accounts as complete as possible; and we earnestly hope that all members of Synod, and church people generally, will aid our endeavors by making the circulation as large as possible.
