FACTORY

ESTABLISHED 1868.

During the more than 30 years success of our business, we have always been at the front in all that pertained to improvements in the production of Gloves and Mittens. We have brought out new ideas. We have given the Trade splendid values—goods which have possessed style, given satisfaction and long service.

Our representatives will call on the Trade in due season. Make it a point to see our samples before placing your orders. We guarantee satisfaction, and the maximum in value at the minimum of cost.
