A most important contribution to Canadian Agricultural Literature

The Canadian Apple Grower's Guide

By Linus Wolverton, M.A.

Author of "Fruits of Ontario"; Editor of the Canadian Horticulturist; Secretary of the Ontario Fruit Growers' Association, 1886-1903; Inspector Ontario Fruit Experiment Station and Secretary of the Board of Control, 1896-1906; Judge in Pomology and Superintendent of Horticulture for the Dominion of Canada at the World's Columbian Exposition, 1893.

PART I.—A Complete Guide to the Planting, Culture, Harvesting and Marketing of Apples.

PART II.—Descriptions of the Varieties of Apples which are Grown in the Various Provinces of the Dominion of Canada, made by the Author from Personal Study of both the Trees and the Fruit, with Full Size Photogravures of the Fruits Themselves, made under his Personal Supervision.

PART III.—Varieties of Apples Recommended for Planting in the Various Sections of the Different Provinces of the Dominion.

CLOTH, LARGE QUAR. O. BEAUTIFULLY ILLUSTRATED, \$2.00; BY MAIL, \$2.25.

The apple is the money-maker fruit of Canada, and with the advanced prices which it is certain to command during the next decade, apple growing is sure to become one of the very best branches of fruit-growing for profit.

In view of the great boom in apple culture which is sure to come, this work has been prepared. It covers the whole subject, from the planting of the tree to the harvesting and selling of the fruit, written in such a clear and concise manner that even the novice should be able to make a success of apple-growing.

Since the number of copies of the first edition is limited, and will soon be taken up, apple growers, or prospective growers, are advised to send in orders at once.

\$2.00 net, by mail \$2.25. **ORDER NOW!**
