The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

**RHEUMATISM.** "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public."
