**TESTIFIES.**

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

**Ayer's Sarsaparilla.**

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

**RHEUMATISM.** "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took **AYER'S SARSAPARILLA**, by the use of two bottles of which I was completely cured. Have sold large quantities of your **SARSAPARILLA**, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public."  
 E. F. HARRIS,  
 River St., Buckland, Mass., May 13, 1882.

**SALT RHEUM.** GEORGE ANDREWS, over-seer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by **AYER'S SARSAPARILLA**. See certificate in Ayer's Almanac for 1883.

**CHEMICAL LABORATORY, DALHOUSIE COLLEGE,**  
 Halifax, N.S., Jany. 30th, 1885.

I have made analysis of samples of the Emulsion of Cod Liver Oil, prepared by the Puttner Emulsion Co., and they have explained to me the details of their process. The ingredients used, and the mechanical process to which they are successively subjected, enable this Company to prepare a permanent Emulsion, without the use of acids or alkalies. This preparation has been known to me for many years, and when carefully prepared is certainly a great improvement upon the Crude Cod Liver Oil, not only being milder in flavour, but having the more substantial advantage of being in the best form for digestion and assimilation.

**WHAT IS CATARRH?**

Catarrh is a mucopurulent discharge caused by the presence and development of the vegetable parasite ameba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxomera, from the retention of the effete matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons kee, the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which ascend up the nostrils and down the fauces, or back up the throat, causing ulceration of the throat; up the Eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death. Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. Some time since a well-known physician of forty years, standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers—*Toronto Mail*, Messrs. A. H. DIXON & SON 305 King St. West, Toronto, Canada. Inclose stamp or their treatise on Catarrh.

**HALL'S VEGETABLE SICILIAN Hair Renewer.**

Seldom does a popular remedy win such a strong hold upon the public confidence as has **HALL'S HAIR RENEWER**. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy luster, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.
