**TO THE EDITOR—**  
 Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have a complaint if they will send me their Express and P. O. address. Respectfully, **Dr. T. A. SLOCUM,** Branch Office, 37 Yonge Street, Toronto.

**STEAMED INDIAN PUDDING.**—One and one half cup sour milk, two eggs (well beaten), one scant teaspoonful of soda dissolved in a little warm water; stir in meal until the mixture is a little thicker than for griddle cake. Add fruit of any kind desired, and steam (or boil) one hour. Use sweetened cream for sauce.

**FOR BRONCHITIS and Asthma,** try Allen's Lung Balm; the best cough prescription known.

**EGG SANDWICHES.**—Cut hard-boiled eggs in thin slices. Put them between slices of delicately-toasted bread, crisp, but on no account tough. Butter the toast liberally, and season the eggs with pepper and salt. Cut the sandwiches in the usual way.

**PUBLIC BENEFACTORS** are not alone confined to the higher orders of scientific research. Indeed but few have done more for the welfare of the working masses than James Pyle, through the introduction of his labour saving Pearlina.

**SALAD DRESSING.**—Four eggs well beaten, one-half cup vinegar and water, equal parts, stirred over the fire until as thick as soft custard. When cool, add one-half tea cup of sweet oil, one teaspoonful of mixed mustard, one-half teaspoonful of sugar, the juice of one lemon and cayenne pepper to the taste.

For writing a letter, signing a check, posting a ledger, drawing up a will or dashing off an editorial, an Esterbrook's Pen is equally serviceable.

**TO CLEAN LOOKING GLASSES.**—Take a soft sponge, wash it well in clean water, and squeeze it as dry as possible; dip it into some spirits of wine and rub over the glass; then have some powdered blue tied up in a rag, dust it over the glass, and rub it lightly and quickly with a soft cloth, finishing with a silk handkerchief.

**All Medical Authorities.**  
 Agree that catarrh is no more nor less than an inflammation of the lining membrane of the nasal air passages.

Nasal catarrh and all catarrhal affection of the head are not diseases of the blood, and it is a serious mistake to treat them as such. No conscientious physician ever attempts to do so.

It is said by eminent medical men that sooner or later a specific will be found for every disease from which humanity suffers. The facts justify us in assuming that for catarrh at least a positive cure already exists in Ely's Cream Balm.

**CUP PUDDING FOR INVALIDS.**—Break an egg in a coffee cup and beat thoroughly, then add one tablespoonful of flour and a pinch of salt, and pour on milk till the cup is nearly full, then beat again, and place in oven and bake twenty minutes. Eat while it is hot, with sauce made with white of egg and sugar beaten together till stiff.

**Scott's Emulsion of Cod Liver Oil and Hypophosphites**

It is palatable, efficient, and can be tolerated almost by any one, especially where cod liver oil itself cannot be borne. Put up in 50c. and \$1 size.
