PACKAGE A

Bulb Syringe Container

The
Favorite Serum
of the
Medical
Profession

PACKAGE C.

Piston Syringe Container

POTENCY! SAFETY! CONVENIENCE!

Into the preparation of our Antidiphtheritic Serum the elements of chance and guesswork never enter. To insure its perfect reliability we resort to every known precaution, every available test. Our Bulb and Piston Syringes, with hermetically sealed containers, afford quick and easy administration.

On unspecified orders our Antidiphtheritic Serum is supplied in the Bulb Syringe Container shown above, designated as "Package A."

ALWAYS SPECIFY "PARKE, DAVIS & CO."
