MEMBERS' SOCIAL.

NOTWITHSTANDING the severe storm on Monday evening last, we had a very fair attendance at the Members' Social. Our President occupied the chair, and opened with some pointed remarks regarding the growth of Y.M.C.A. work in America. Mr. Burford, Mr. McKenzie, of Hamilton, and the General Secretary spoke upon the recent Convention at Cleveland. The address of Mr. McKenzie was thoroughly practical, and was warmly applauded. Mr. W. Anderson (who has been appointed a delegate to the World's Conference, London,) also made a few remarks, urging young men to more decided effort towards reaching others.

The speech of the evening was delivered by Rev. H. M. Parsons. Sound, practical and earnest were the words uttered, and they could not fail to be irapressive, and result in much benefit to the hearers.

At the close of the meeting, refreshments were served, after which the members separated, realizing that a profitable as well as pleasant evening had been spent.

INTERNATIONAL S. S. CONVENTION.

NEXT week the International S. S. Convention meets in our city. Over 900 delegates are expected. A large number of visitors will also be in attendance. The meetings will be held in the Pavilion, (Horticultural Gardens). The building is being fitted up with every convenience for the visitors. A large lunch tent is to be erected, and no effort will be spared by the Committee of Arrangements to make the gathering a success. A circular has been issued asking that next Sunday this gathering be made a subject of special prayer that the power of the Spirit may be manifest in all the sessions.

BY arrangement with the Committee of the S. S. Convention our Association is issuing a Map of the City, with notices of our meetings, &c. attached. A copy of this map will be given to each delegate when he receives his billet, and the locality in which his home is situated will be marked on the map.

WARM WEATHER.

WE have issued for distribution in the Refreshment rooms, Hotels, Warehouses, &c. 2,000 fans, in one side of which is a view of our building, an invitation to our Rooms and a list of our meetings. On the other side are selections from the tract entitled "You, me, or anybody else." We are indebted to Mr. S. R. Briggs of the Willard Tract Depository for the loan of the cuts used for this purpose.
