PLATEAU'S PERSISTENT SOAP BUBBLES.

THE beautiful Bubbles lately shown at the Natural History Society's *Soiree* attracted great attention, and much eager demand for the solution has been expressed. In reply to numerous enquiries, Dr. BAKER EDWARDS has supplied some of the material to Messrs. KENNETH CAMPBELL & Co., of the Medical Hall, who prepare neat cases containing the solution, pipe, and stand, and a paper by Dr. EDWARDS, containing a description of interesting experiments, which may be performed with the Bubbles, rendering them an instructive and highly entertaining parlor toy.
