On a recent Sunday afternoon, at the request of a number of Wesleyans in the Rydal Mount circuit, Canon Knox-Little attended an open-air mission meeting at Cheetwood. But there were several very good reasons why he had done so.

It was stated at a meeting of the Statistical Society by the Rev. J. Johnson, that there were in India 30,000,000 of children unprovided with any education worthy of the name. What more do we need to show us that the work of missions has but just begun? Instead of wearying in the good fight, we must endeavour to get better hold on the weapons we are to wield.

The Eighth Annual Diocesan Conference for the Diocese of Canterbury was opened by the Archbishop at Lambeth Palace. Under the heading "The Victory of the Organ," the *New York Independent* says:—"This has been a year of triumph for the sons of Jubal in Presbyterian Churches. They have broken down the barriers against the organ in the Scottish Free Church, the Irish Presbyterian Church, and won a final victory in the American United Presbyterian Church. There is now no considerable body of Presbyterian which holds that it is wrong to praise God with musical instruments."
