The chcapest Insurance Company in this City is undoubtedly THE MUTUAL INSURANCE COMPANY. The rates of insurance are generally half less than those of other Companies with all desirable security to parties insured. The sole object of this Company is to bring down the cost of insurance on properties to the lowest rate possible for the whole interest of the community. The citizens should therefore encourage liberally this flourishing Com-

THIS College conducted by the Fathers of the Society of Jesus. Opened on the 20th of Soptember, 1848, it was Incorporated by an Ac tof Provincial Parliament in 1852, after adding a course of Law to its teaching

department. The course of instruction, of which Religion forms the leading object, is divided into two sections, the Classical and the Commercial Courses.

The former embraces the Greek, Latin, French and English languages, and terminates with Philosophy.
In the latter, French and English are the only languages taught; a special attention is given to Book-keeping and whatever else may fit a youth for Commercial pursuits.

Besides, the Students of either section learn, each one according to his talent and degree, History and Geography, Arithmetic or higher branches of Mathematics. Literature and Natural Science. Music and other Fine Arts are taught only on a

special demand of parents ; they form extra charges. There are, moreover, Elementary and Preparatory Classes for younger students.

BEAUTIFY

THE

COMPLEXION By using Murray & Lanman's Florida Water. It is the most healthful and safest of all cosmetics, containing no deleterious ingredients, being prepared solely from the sich floral perfumes of nature, unadulterated by any foreign substance whatever. It is suited for use by the blonde and brunette alike, imparting that analytically clear softness to the skin so much admired a the fair sex. By regular use at the toilet it tends to

PREVENT AND REMOVE WRINKLES.

the softness of a in produced by its use taking away the natural inclination of the cuticle to form into ridges and furrows. Murray & Lannan's Florida Water is really the most delightful and efficacious of toilet waters, ever thing entering into its composition being of the mest quality, and so combined as to secure their test effects. It never changes nor alters, keeping for any length of time, and in any climate, as delicate and frosh as at the moment of its preparation. It is also very extensively used as a dentifrice, on account of the

EXQUISITE FRAGRANCE

which it leaves in the month. The proportions should be about a tea-spoonful to a glass of pure water. It neutralizes the minute particles of food lodging in the mouth, and which are the prolific cause of decayed teeth, bad breadth, and unhealthy, white looking gums. Moreover, by the use of Murray & Lanman's Florida Water the breath is made sweet and pleasant, and the teeth white without any danger of injuring the enamel, a difficulty existing with nearly all the mouth lotions and powders for the teeth. As a general thing, ladies who make any pretensions to refinement desire to have

SOFT WHITE HANDS.

We believe that there is nothing will tend more to produce this effect than the constant use of Murray & Lanman's Florida Water mixed with the water in the basin. It removes redness and roughness. The ladies of Cuba and South America were the first to discover the extraordinary virtues of this floral water as a cosmetic, and, after twenty-five years of every-day use, they have decided that it is the only fragrant distillation combining all the requisites for a safe and reliable beautifier of the skin, as well as an exquisitely delicate perfume. Probably the most distinctive feature of Murray & Lanman's Florida Water is its wonderful

REFRESHING POWER.

The sense of smell never tires of it, but rather seems to find a more intense enjoyment the longer it is

accustomed to its use. As there are counterfeits, always ask for the Florida Water prepared by Lanman & Kemp, New York.

VEGETABLE MEDICINES.

By a species of instinctive feeling, the people of nearly all countries are greatly averso to those med-icinal preparations which contain mineral substances amongst their ingredients. And yet, if the question was asked why they objected to this class of medicines, we presume few could give an intelligent answer. Nevertholess, the aversion is well founded.

All mineral substances, when taken into the stomach, are cumulative in their nature—that is to say, they remain either partly or wholly in the system and accumulate with each additional dose, until in many cases the result is death. For example, arsenic although known to be a deadly poison, yet in cortain parts of Switzerland is extensively used by the mountain guides as a means of giving them, vulgarly speaking 'long wind.' But although it is thus beneficial for a time, the ultimate result is always enth.

It therefore becomes evident that the popular dis-

like to mineral medicines is well founded, and it ? doubtless in a great measure to the entire absence of any mineral substance that the wonderful success of

in this country is to be ascribed. It is prepared from the best quality of the Sarsaparilla Root, with which are combined other cleansing, purifying, and healing roots, barks, leaves, and balsunic gums—the whole, without doubt, making the best depurative and most valuable medicine known to the faculty.— The preparation of this great remedy is carried on under the personal supervision of the most scientific chemists and pinarmaccutists, and none but the choicest ingredients are ever allowed to enter into its composition. The result is, that its action is always uniform and reliable. Its offects upon the

BLOOD AND HUMORS

is to purge and purify them of every atom of disease and to instil into the general system a degree of vigorous, natural life, that enables even the weakly and fragile to throw off and resist the attacks of disease. All old sores and cruptions of a scrofulous or syphilitic nature, all ulcerous diseases, Salt Rheum Carbuncles, Boils, Blotches, or Pimples are

SPEEDILY HEADED

and removed, and a new clasticity and vigor given to the body that is indeed most agreeable. In every case when there is reason to suspect the blood and humors of being impure or vitinted from whatever cause, Bristol's Vegetable Sugar-coated Pills should be used in conjunction with the Sarsaparilla, as they carry off the depraved matter, and a complete cure more speed to ensues.

GRAY'S SYRUP OF RED SPRUCE GUM.

This Syrup is highly reccommended for Coughs, Colds, Asthma, Bronchied and Throat Affections. RED SPRUCE GUM has always been held in high estimation by the Natives of Canada, and was at one time in great repute, for Pulmonary Affections. Like a great many of our household remedies, its me

was derived from the Indians who had the greatest faith in its virtues. It has been customary to dissolve the Gen in High Wines and then take it mixed with a little water; but the quantity of High Wines swallowed in order to obtain any appreciable effect, is so large that it entirely destroys the Balsamic and Soothing effects characteristic of the Gun. In the above preparation it is offered, to the appreciation of the public, in the
