

worth 80 to 85c.; dry cod in demand at \$7.00 to \$7.25; salmon, half barrels \$8.50 to \$9.50; sardines, quarters, small fish, 12½ to 14c., large fish, quarters, 11½ to 12½c.; American packed, 10 to 11c.; Herrings salt, in barrels, Labrador, \$7 to \$7.50 for prime. *Fruit*—A greater variety is now in market; we quote old Sultana raisins 9½ to 10½c., and new 12 to 13c.; Valentias steady, at 8½c. for common, to 11c. for hand-picked; Currants, new provincials, 7 to 7½c.; Patras, 7½ to 8c.; Vostizza, 9 to 9½c.; Almonds, 14 to 16½c.; Prunes in cases, 14 to 15c. *Syrups* are unchanged. *Sugars* maintain their values, and dealers are pretty well supplied, though the refineries have no great work. *Teas*—The demand continues steady for most sorts. *Tobaccos and Liquors* are not altered in price.

Metals.—Cable advices report ingot tin a shade easier. There has been considerable speculation in this article of late, however, and it is somewhat difficult to follow, or indeed to determine the market. *Tin plates* are much firmer in England. Ingot and sheet *copper* remain firm, the effect of the recent advance is perceptible here. Canadian ingots are scarce and held firm by the agents of producers. An advance of 10/ on manufactured iron is reported, which includes galvanized sheets.

Provisions.—There has been considerable activity in the market, filling orders for the North-west before the close of navigation. Prices are generally unchanged, but it is fully expected that values of hog products must shortly decline. *Bacon*.—We note that long clear is weaker, say 13½ to 14c. *Butter* remains in the same dull state for inferior quality, which is sufficiently plentiful; choice is wanted, but no quantity of it is to be had. We have only a jobbing trade to report in *cheese*. Dressed *hogs* are worth from \$8.25 to \$9.00, with fair receipts on the farmers' market. *Hops*.—We hear of sales as high as 75c. for choice, and even 85c. is named as a price at which some choice are held, speculative holders and growers in the city are holding on for still higher figures; common are to be had, we understand, at 60c.

Petroleum.—The advance in price of crude oil in American markets during the last four months, from say 42c. to nearly \$1.00 gives foundation for the belief that refined, too, must rise. The excitement now existing in the Pennsylvania Oil Regions, and the "boom" at Petrolia and Oil Springs consequent on recent discoveries of fresh oil-bearing territory, have not as yet affected prices here, which are still 20 to 20½c. for Canadian in lots and 20c. per gal. per single barrel. American also unchanged. We quote El Dorado engine oil per single bbl. 65c. per imperial gallon.

Wool.—There is no move in fleeces. Enquiry from the mills for most grades of medium and fine is good, the aggregate of sales has been large. Prices maintained without change.
