THE dream of Port Dover people has at last
been realized, and a trans-Erie coal ferry line
inaugurated across the lake, with Port Dover
as a Canadian terminus. The first boat of the
line arrived in Dover a week ago, laden with
coal cars.

THE annual cheap excursion to the Canadian
seaside resorts by rail is offered next week by
the Intercolonial Railway of Canada. A pas-
senger can go from Toronto to St. John and
back for \$14.50, and from Toronto to Halifax
and back for \$17, and may stop over at Quebec,
River du Loup, Moncton, etc. From Montreal
to Halifax and return the fare is \$10, and to
St. John \$7.50. Excursion on Monday and
Tuesday, September 2nd and 3rd, from Toronto.

JOSEPH WILSON, tinsmith, at Bright, failed
some years ago. Since then he has barely
made a living, and now assigns.—About a
year ago E. Fitzallen opened a grocery in
London, his wife becoming security for the
purchase of stock. In order to protect herself,
she took a chattel mortgage, and as the venture
was not successful, this has been foreclosed,
and she has taken the goods, which she will
try and dispose of at once.

As long ago as 1880, perhaps earlier, A. J.
Evans began as a builder and contractor at
Kincardine, and was prosperous for a long
time. But unfortunately for several years
past his habits had become somewhat irregu-
lar, which, in addition to close competition
in his trade, has brought about his assign-
ment. This could hardly be unexpected by
any one familiar with his condition.—The
bailiff is in possession of the hotel premises of
Wm. Gowland, of Hamilton, for rent. Some
years ago Mr. G. was a prosperous farmer,
worth about \$7,000. Lately, however, he be-
came too frequent a patron of his own bar,
which is one cause of his trouble to-day.—
For some time past a chattel mortgage of \$3,-
250 has covered the tailoring stock of John
McGrath, of Belmont. Now it is foreclosed
by a London firm. During the past six years
Mr. McG. has changed his location four or five
times.
