CATHOLIC CLUB CONCERT

Most Satisfactory Programme Rendered in Honor of St. Patrick

(Free Press Report, Corrected)

The annual concert in celebration of the national feast of Ireland took place on Saturday evening in the Y.M.C.A. auditorium, and as in past years was arranged under the auspices of the Catholic Club. The affair brought together a very large and most representative assemblage, consisting of Catholic clergy, the mayor of the city, the premier of the province, and citizens of all conditions of life. One and all entered thoroughly into the spirit of the occasion, and unmistakably enjoyed the splendid programme that was car-

The proceedings were opened with a short introductory address by the president of the club, J. E. O'Connor. He spoke of the pleasure it gave the club to have the opportunity of arranging their usual celebration, and then eloquently sketched the life of St. Patrick. He emphasized the important and enduring effect the labors of the great Saint had had on Christian civilization. The programme was in every sense a most appropriate one, consisting of Irish vocal and instrumental music and readings. Without exception all the artists could claim the Emerald Isle as their birthplace, or as the home of their ancestors.

The opening number was an overture of Irish airs, given by St. Mary's Lyceum orchestra. F. C. Flanigan received a spirited encore for his rendition of "Killarney," and in the second part sang "The Dear Little Shamrock." "Come Back to Erin," and "Rory Darling" were Miss C. Maloney's selections One of the gems of the evening was a reading by Mrs. Donald McKenty She responded to an encore. Miss Edns Landers proved to be a great favorite. Mr. J. C. Landry's renditions of "The Rose of Killarney" and "The Kavanagh" were excellent. The songs given by Miss Rose Braniff were well received. cution "An Ode to St. Patrick," which a very satisfactory referee, while Gordon won a deserved encore, "Am I remem- of the Victorias was an excellent judge bered in Erin?" Landry and Mrs. Chamberlain acted as accompanists, and in this capacity contributed not a little to the success of the evening.

MISSION AT ST. MARY'S

Fathers of Passionist Order Inaugurated it Sunday-Great Crowds At-

occupy the whole of the next three weeks, was inaugurated by two Fathers of the Passionist Order. The church was thronged to the doors, many of those present finding only standing room, and the proceedings were of a most impressive nature. The two missionaries were received at the church door by the parish priest and a procession of altar boys; and by way of the main aisle, and reciting the solemn liturgy prescribed for such occasions, they proceeded to the sanctuary, where, in front of the high altar, the immense mission crucifix was installed, and Father Richard Barrett, C.P., preached a most eloquent and touching sermon on the mission and the opportunities it offers to all the people of Winnipeg.

The order of services during the mission will be as follows: In the morning, Masses at 6 o'clock and 9 o'clock. Evening sermon this week for women only, and next week for men only, every evening at 7.30, at which service the mission service will be preached. The third week of the mission will be for non-Catholics, the details of which will be announced later.

The missionary preachers are Rev. Father Gregory O'Brien, C.P., from St. Louis, and Rev. Father Richard Barrett C.P., from Pittsburg. They are members of the Passionist Order, and are both exceptionally eloquent and powerful preachers. At the opening of the women's mission the church was crowded and the indications are that this will be one of the most important and successful of the many missions which has ever been held at St. Mary's church. -Free Press.

A DECISIVE GAME

The last and decisive game between the Winnipeg Business College and St. Boniface took place last Tuesday and resulted in favor of the latter by a score of 8-2. The game was very fast and exciting, the high score was probably the result of good passing on the part of the saints. The Business men were excellent individual players, but somewhat weak in combination.

Picard, who has been doing good work at centre for the boys from across the river during the past season, was unable to play on account of ill health, and Baril did some good work in that position.

Winnery, who watched the net for the business men, was wide awake during the whole game, and many a goal he saved after both the defence had been passed. The goal-keeper for the saints also had his eagle eye open and helped to keep the score down. His defence, most beyond criticism. Lined up on practicable, and guarded the territory and black uniforms, they sang and Grey, point for the Business College, was by no means slow, and whenever he pare for an attack. Ashton and Saul of the forwards also played a very good them for the excellent manner in which

skates were smashed and the last twelve minutes were played five a side.

ST. JOSEPH'S ENTERTAINMENT

Little Ones of Orphanage Complimented by His Grace Archbishop Lange-

The entertainment given at St. Joseph's Orphanage on Saturday afternoon was in every way a pleasing and successful affair. A large number of ladies and gentlemen, friends of the institution, turned out to witness the efforts of the youthful entertainers. His Grace Archbishop Langevin, and a number of the clergy from St. Boniface, were also present.

The programme, which was given entirely by the children belonging to the Orphanage, comprising about 40 little boys, ranging from 3 years of age to 10, consisted of songs, dialogues and recitations. These were rendered in both English and French and the way in which the little fellows performed their parts in both languages was al-

LIVER COMPLAINT.

The liver is the largest gland in the body; its office is to take from the blood the properties which form bile. When the liver is torpid and inflamed it cannot furnish bile to the bowels, eausing them to become bound and costive. The symptons are a feeling of fulness or weight in the right side, and shooting pains in the same region, pains between the shoulders, yellowness of the skin and eyes, bowels irregular, coated tongue, bad taste in the morning, etc.
