External Affairs is sponsoring an information booth at this annual automotive show for the first time.

Milan Spring Fair

Milan, Italy — April 15-23, 1989

General Trade

The Milan International Fair is the largest exhibition in Italy. It has been staged for over 60 years and attracts nearly 10 000 exhibitors and 2 million visitors, 25 per cent of whom are from other countries. A horizontal fair open to the public, it is widely used by Italian and foreign firms for both sales and public relations purposes.

SICOB

Paris, France — April 17-22, 1989

*Data processing, Telematics,
Communications, Office Automation*

This annual trade fair features electronics, office machines, office furniture, audio-visual and communications equipment.

Six Canadian companies participated in the national stand in 1984 and reported 12-month projected sales of \$12.2 million.
