Note No. 149

WASHINGTON, November 26, 1990

Sir,

I have the honour to refer to the Exchange of Notes (January 8 and October 15, 1947) between Canada and the United States of America constituting an Agreement on the allocation of channels for radio broadcasting effective October 15, 1947 (the 1947 Agreement) and to the recent discussions between representatives of both Governments concerning the use of the 88 to 108 megahertz frequency band for frequency modulation broadcasting (FM). Furthermore, I have the honour to propose that the above-mentioned Agreement be replaced by the following.

In order to prevent undue interference between stations in the respective countries, the allotment and assignment of channels in areas adjacent to the border of Canada and the United States shall be in accordance with the conditions set forth herein and in the attached Working Arrangement.

For the purpose of this Note, the expression "Administrations" refers to the Department of Communications for Canada and the Federal Communications Commission for the United
