

- (h) other areas of peaceful cooperation as jointly decided by the Parties.

ARTICLE 4

Modes of Cooperation

1. The Parties shall encourage and facilitate cooperation between persons under their respective jurisdictions on matters within the scope of this Agreement.
2. Subject to the terms of this Agreement, persons under the jurisdiction of either Party may supply to or receive from persons under the jurisdiction of the other Party nuclear material, material, equipment, and technology, on commercial or other terms, as may be jointly decided by the persons concerned.
3. Subject to the terms of this Agreement, persons under the jurisdiction of either Party may provide persons under the jurisdiction of the other Party with technical training in the application of nuclear energy for peaceful uses, on commercial or other terms, as may be jointly decided by the persons concerned.
4. The Parties shall make efforts to facilitate exchanges of experts, technicians and specialists related to activities under this Agreement.
5. The Parties may, subject to terms and conditions to be jointly determined, collaborate on safety and regulatory aspects of the production of nuclear energy including (a) exchange of information and (b) technical cooperation and training.
6. A Party shall not use this Agreement for the purpose of securing commercial advantage over the other Party or for the purpose of interfering with the commercial relations of the other Party.
7. Cooperation under this Agreement shall be in accordance with the respective law and policies of the Parties and their international obligations.
