

to the provisions of the Report of the Electoral Boundaries Commission for the Province of Ontario, laid before this House by Mr. Speaker on Wednesday, January 19, 1966.

The name of the constituency of Russell has been in existence since Confederation. Therefore, the population of that constituency objects—and I support their objection—to the elimination of that name which has an historical significance.

The following Notice of Objection to the proposed Electoral District of Wentworth, filed with Mr. Speaker on February 18, 1966, was considered:

That, pursuant to Section 20 of the Electoral Boundaries Readjustment Act (Chapter 31, Statutes of Canada 1964-65), consideration be given by this House to the matter of an objection to the provisions of the Report of the Electoral Boundaries Commission for the Province of Ontario, laid before this House by Mr. Speaker on Wednesday, January 19, 1966, for the reasons hereinafter specified:

1. It is impractical and unfair to the people of Ancaster and the community to separate them from an area in which they form an integral part.
2. All regional plans bring Ancaster into Wentworth.
3. It is proposed that Ancaster be included in the riding of Brant, the biggest in Ontario and one that might be expected to exceed the tolerance figure before the next census. Because Halton-Wentworth is one of the smaller ridings it can easily absorb Ancaster without fear of exceeding the tolerance.
4. The Council of the Township of Nassagaweya has also asked that they be included in Halton-Wentworth riding because their geographic and traditional ties are with the Town of Burlington in the new riding.
