

Private Members' Business

I have some concern with how it affects the passage of Bill C-90. I am sure that if the question were written out for the officials, they would be quite happy to try to get the information.

Mr. Rodriguez: Mr. Chairman, I think these questions have to be asked when the people who are knowledgeable in the whole process of financial institutions are present. That is why I put them on the record. If we could get the information, I would appreciate receiving it.

Clause 1 agreed to.

Clause 2 agreed to.

Title agreed to.

Bill reported.

Mr. Loiselle moved that the bill be concurred in.

The Assistant Deputy Chairman: Is it the pleasure of the committee to adopt the motion?

Some hon. members: Agreed.

Some hon. members: On division.

Motion agreed to.

[Translation]

The Acting Speaker (Mr. DeBlois): When shall the bill be read the third time? With leave of the House, now?

Some hon. members: Agreed.

M. Andre (for Mr. Loiselle) moved that the bill be read the third time and passed.

[English]

Mr. John R. Rodriguez (Nickel Belt): Mr. Speaker, just before this gets passed, on division, at third reading and goes to the other place, I want to once again—

The Acting Speaker (Mr. DeBlois): On a point of order, the hon. government House leader.

Mr. Andre: Mr. Speaker, I do not want to interrupt the hon. member for very long. I just would like to indicate that it is my intention to declare tomorrow an allotted day, a supply day.

Mr. Boudria: Mr. Speaker, perhaps the government House leader could stay for a moment. It was my understanding that we had passed, with unanimous consent, a motion to adopt this bill at third reading this

day and there are only two minutes left. I notice we are still debating, so perhaps we could get some clarification as to whether or not the unanimous consent that was achieved earlier this day will be adhered to. We did not put up a speaker, not for lack of interest in the bill, but we wanted to indicate that it was our understanding to live with the consent we had engaged in earlier this day.

Mr. Nunziata: Mr. Speaker, we have been hearing considerable rhetoric from the NDP over the last hour or so, notwithstanding the fact that earlier this day they gave their undertaking and commitment that they would pass this bill, unanimously, by five o'clock, so stop the hypocrisy and get this bill passed.

Mr. Rodriguez: The only hypocrisy comes from the member who just spoke. Mr. Speaker, I wanted to conclude by flagging the concerns we had. We heard the parliamentary secretary attempt to answer. He did not answer the question as to the rationale for having this postponement and so at report stage, on division, we let the bill go and we will let it go on third reading, on division.

[Translation]

The Acting Speaker (Mr. DeBlois): Is it the pleasure of the House to adopt the motion?

Some hon. members: Agreed.

Some hon. members: On division.

Motion agreed to and bill read the third time and passed, on division.

The Acting Speaker (Mr. DeBlois): It being 5 p.m., the House will now proceed to consideration of Private Members' Business as listed on today's Order Paper.
