

TRAVELLING ARRANGEMENTS.

A.—OCEAN STEAMERS.

The various steamship companies will make reductions in their rates of ocean-passage to *all members* (whether life, annual, or associate) of the British Association who may desire to attend the Montreal meeting, as follows :—

CANADIAN LINES.

Allan Line of Steamships.—*Address : Messrs. Allan Bros. & Co., James Street, Liverpool.*—This line will make an abatement of *three guineas* from the ordinary fares, so that the return-rates (*exclusive* of the government grant), between Liverpool and Quebec, will be nineteen (19), twenty-two (22), and twenty-seven (27) guineas, according to the accommodation. The return-rates between Liverpool and Halifax will be practically the same.

Holders of return-tickets, will have the privilege of sailing from any of the United States or Canadian ports, at which the mail steamers of this line call.

Single tickets, outwards, will be charged at the full ordinary rates, viz., from twelve (12) to twenty-one (21) guineas (*exclusive* of the government grant), but should the holders of such tickets return by an Allan steamer, they will be entitled, on application to Messrs. H. & A. Allan, Montreal, to a homeward cabin-passage at the reduced rate of £12 10s.

The mail steamers of this line leave Liverpool every Thursday for Quebec, and on alternate Tuesdays for Halifax ; but in all probability, should the applications
