

properly observes him to the benefit the support of his to return to his the most impudent Hennepin, how- fear had no part; e truth. ... These y truthful, but in the time of their The question of was first raised by ca, Parkman, etc. f the Mississippi," ans," Vol. 1. See

11 leaves. The first part has the 14 maps copied from the Madrid edition of 1601 of the "Indias Occidentales," and Le Maire is illustrated with the three maps taken from De Bry, together with 4 plates in the text. Stevens observes "In the Preface to Barcia's reprint of Herrera, *Madrid*, 1726-30, the editor repudiates this edition, as being full of typographical errors, and encumbered with matters not pertaining to Herrera." On which Quaritch remarks: "It is erroneously stated in the 'American Nuggets' that Barcia, in the preface to his edition of Herrera, repudiates the edition by Colin as full of errors. The fact is, that Barcia makes nowhere any remark prejudicial to the above publication of 1622, which certainly contains a faithful translation of the 'Description' of Herrera, and an equally faithful reproduction of the fourteen genuine maps. He alludes only to the Antwerp edition of 1728." But Mr. Quaritch's note is appended to the French version, described *infra*, yet the criticism is probably correct. It is reprinted in part, in Vol. xii. of De Bry's "Grands Voyages." See Camus' "Mémoire," 147-160; Tiele, No. 294.

The contents of this French version are the same as that of the preceding Dutch, except that the French translation has not the portrait of Le Maire. "The volume is valuable as containing the first edition of the genuine Voyage of Le Maire (also issued in Latin and Dutch in the same year) as distinguished from that which had been, through the Dutch India Company's jealousy of Le Maire, published by Blaeu under
