# THE MAN ON THE BOX

By HAROLD MacGRATH  
Author of *The Puppet Crown* and *The Grey Cloak*

---

This is the brightest, most sparkling book of the season, crisp as a new greenback, telling a most absorbing story in the most delightful way. There never was a book which held the reader more fascinated.  
*Albany Times-Union*

The best novel of the year.  
*Seattle Post-Intelligencer*

Satire that stops short of caricature, humor that never descends to burlesque, sentiment that is too wholesome and genuine to verge upon sentimentality, these are reasons enough for liking *The Man on the Box*, quite aside from the fact that it is a refreshing novelty in fiction.  
*New York Globe*
