MIDLAND ARE THE GROUP WINNERS PADDLERS BEATEN IN OVERTIME

After Half-Time—Midland Tied It Up Just Before Time Was Up on Lucky Shot.

By Lew Brown.

GRILLIA, Feb. 5.—Gstaff Correspondence.—Midland won their district here last night by defeating Toronto Canoe Club in Midland 1.

Second Half.

After the rest period play opened at just as fast a pace as had closed the first ways relieved and went thru justes of over time by the score of 5 to 3.

As a game full of thrills and hard, fast hockey this exhibition was hard to beat, and both teams put up a game and unitable of the close of the first hard both teams put up a game and unitable of the close of the first hard both teams put up a game and unitable of the first hard both teams put up a game and unitable of the first hard both teams and the first hard both teams turned out the same line-up as at their last game, and every player was in grand condition.

Midland Liked the los.

Gooch and Swan were the stars, and their work was brilliant, while Chase and Miacey for Midland were the shining lights. Midland in the early stages had considerably the best of the play, as they but gradually the Paddlers warmed up and were holding their own on end. Schooting from centre ice and swift and zig-zagging individual wore by both teams was the feature. Very little combination was worbed and each team oxided in cheeging back and rarely a man got away.

Meet St. Mikes Next.

Midland will now meet St. Michaels in the play-off. For the first time this year the Toronto fans saw snow and they had to plow thru about three feet of it to get to the rink.

Orillia was some lively town for many hours before and after the game, and the ex-funior champions were exceedingly preud that their town was the place picked upon for the play-off. At an early hour the rink was crowded and hundreds battled in an awful crush to secure admission thru a two-foot doorway. Midland's colors were very much in evidence and the sentiment of the crowd was plainly in favor of the green and white.

The ice was in perfect condition and aided materially in keeping the play at a fast pace all evening. About three hundred fans came up from Toronto on the special train and wagers started at even and went to ten to seven in favor or Midiand. Midiand were the first tappear upon the ice and a deafening up roar greeted them. The Paddlers followed close upon their heels, but naturall the red wing supporters were unable to drown the large majority of Midland

First Half.

The game started at 8.40 with Midland defending the north goal. Play opened with a rush and Midland began to press. Chase was much in evidence for the first few minutes, shooting from centre ice was fooling Canoe Ciub considerably. Dopp went up, but lost on the pass to Romerill. Romerill returned with several hard shots on goal, and missed scoring by inches.

Levigne off for tripping Romerill when he looked like scoring easily. Gooch went thru and nearly scored on a nice shot from the side that was dead on Lunan stopped a beautiful one from Macey. Chase went thru, but was unable to beat Lunan. Beatty scored from a mix up after 16 minutes of play.

Some very bad passing spoilt the Canoe boys' chances with seven men to five. Canoe Club began to get going and Dopp sent another at Scott. Gooch went thru

The Lid on in Previdence.
PROVIDENCE, R.I., Feb. 6.—Frizefighting in this state received a blow
from Gov. Pothier today.
In a message to Edgar B. Hurdis, president of the town council of North Providence, where a recent bout culminated in
a fight between the referee and one of
the seconds, the governor says that he has
instructed his deputies to put a stop to
boxing exhibitions that are "a disgrace
to civilization."

Double-Header on Tuesday.

The Ontario Basketball Association League matches will be played on Tuesday night next on St. James' parish house gymnasium floor.

The first match will bring together the West End Y.M.C.A. and St. James' intermediate teams, and the second is between the West End Y.M.C.A. and St. James' seniors.

Both games will be keenly contested and will be well worth watching.

London and Paris have agreed on President Wettlaufer of the O.H.A. to referee the play-off of their intermediate group tie at Ingersoll tonight. Kingston Frontenacs and Kingston C. play a decisive game tenight in their junior O.H.A. group. The collegiate has yet to lose a game and Frontenacs have dropped but one. Burgoyne will referee. Cobourg will play at Port Hope tonight instead of last night.

Wolgast Replaces Mandet.

PORTLAND, Ore., Feb. 6.—Ad Wolgast, former lightweight champion, who has been spending some time in Portland, stated today that he had accepted Coffroth's offer to meet Tommy Murphy in a 20-round fight in San Francisco, Feb. 22, in place of Joe Mandot, provided the promoter would guarantee him \$10,000 and expenses. Wolgast also said he had received an offer from New Orleans to box Jack Britton or Joe Mandot in that city some time in March.

At last Ed. Longfellow, the Toronto lacrosse player, has secured his chance as a hockey player. After turning out with and being turned down by the Torontos, he tried out with the Tecumsehs. They took him to Montreal and set him to watch Pitre, the highest-paid fellow gets mentioned in the despatches as holding Pitre down. Longfellow is a holding Pitre down. Longfellow is a top to be provided the promoter would guarantee him \$10,000 and expenses. Wolgast also said he had received an offer from New Orleans to box Jack Britton or Joe Mandot in that city some time in March.

Pro. Clubs Want Six-Man Game Again-Hockey News and Gossip.

It looks as if seven man hockey will be dropped by the N.H.A. The teams have now played one week of the old style and the fans in every town on the circuit are clamoring for a return to the six man style. The pros don't play the combination game like the amateurs, and with the extra man on the ice the game is much slower.

President Quinn of the pro league is taking a wire vote on the topic and don't be surprised if you see Torontos and Canadiens back to the six men a side tomorrow night at the Arena.

The Dovercourt Baracas are having their hockey night at Clinton Street Rink on Saturday evening at 8. Two teams, under the leaderships of Ed. Weale and Bert Lee, will be picked from the following: F. Rush, T. McMurray, J. McMurray, O. Binks, A. Hartman, P. Crofoot, B. Ham, A. Parks, E. Parks, W. Bell, C. Pudifin, J. Drover, J. Craig, W. Walker, F. Jones, and any others not mentioned. All will play who come.

This would give Ottawa seven-man hockey all the time at home, and Toronto a split, for Tecumsehs like the seven-man stuff, while Manager Bruce Ridpath of Torontos prefers the six-man

A Montreal despatch says: For the first time in his life His Royal Highness the Duke of Connaught is going to see a professional hockey match. His royal highness has been an occasional spectator at anateur games in Ottawa, but has never been persuaded to see a game as played by professional teams. He has decided, however, to visit the Montreal Arena on Saturday night, when the Tecumsehs play Wanderers. It is not the first time that the reigning governor-general of the Dominion has visited a professional match at the Arena, but as far as can be ascertained it is the first time that a member of the royal family has ever witnessed professional hockey in Montreal.

Tonight's doubleheader at the Arena should see some real hockey. Varsity and Canoe Club will have a merry little battle for group honors, while Dominion Bank and Bank of Toronto will fight it out for the same cause. The bank game will start at 9 o'clock with Referee Hancock in charge. The line-up will be:

Dominion: Goal, Rice; point, Murphy; cover, Spragge; rover, Gordon; centre, Allen; right, O. Flynn; left, Clanley.

Toronto: Goal, Cook; point, Barr; cover, Bennett; rover, Brown; centre, McPherson; right, Davey; left, Kay.

Bruce Ridpath, manager of the Torontos, stated yesterday morning that the Toronto Hockey Club would request President Quinn of the N.H.A. to call a meeting of the league to consider the advisability of the league returning at once to the six-men style of hockey. Ridpath is of the opinion that the public does not want seven-men hockey, as it tends to make the game rougher and under the eastern off-side rule it is impossible to play combination to any extent.

tent.

Ridpath claims the attendance at the Toronto-Ottawa game Wednesday night was the best evidence that the public do not favor the seven-men style, and the Toronto manager goes further and states that there is not a club in the N.H.A. that prefers the old system.

The official list of N.H.A. goal-scorers gives the leaders of each team as follows: Smith. Quebec, 23; Hyland, Wanderers, 20; Pitre, Canadiens, 18; Broadbent, Ottawa, 14; Smith, Tecumsehs, 12; Wilson, Torontos, 10.

C. Snow Won From G. H. Muntz-Trophy Semi-Finals Decided on the Keenest of Ice.

Lakeview and Aberdeens are left to intest the final for the single rink championship of Toronto. The semi-finals were curled last night on ice keen and true. At Victoria C. Snow of Lakeview defeated G. H. Muntz of Toronto by 15 to 10, while at Queen City, F. Blaylock to 10, while at Queen City, F. Blaylock of East Toronto knocked out the Rennies of the Granite Club by 13 to 11.

When they settled down at Toronto there was nothing to it but Lakeview. At Queen City the story was different. The first was a dead end without a stone in the ring. Rennie picked up three the next, drawing cleverly with his last stone. He added another the third and then for five ends it was all Aberdeen, the score reading 8 to 4 at half way. Next Rennie counted another 3 and a one and the score was tied. A two for each on alternate ends made it 10 all. Then Blaylock counted three singles in a row and was three up with one end to go. He won the game the 15th by a long and lucky raise to Rennie's shot that looked safe. All the Granites could do was count one, the 16th and the game was over.

count one, the 16th and the game was over.

The Aberdeens curied hard and vigorously, the skip especially performing in championship style. Blaylock's draw in the thirteenth end with his last stone to the tee, nibling his rival's shot, spoiled a cluster of three. It is likely that the hot pace set by the Aberdeens put the Granites off their game and the latter probably had the worse of the breaks. The Rennie rink missed frequently on running shots and difficult raises that were their only alternative, while the four end had more wasted stones than is their custom.

Ontario Rinks Generally Successful in Their Games at Winnipeg Bonspiel.

WINNIPEG, Man., Feb. 6.—The eastern rinks fared well in the preliminary contests in the Tetley Tea competition. Rice, Toronto, defeated Campbell of St. Thomas, North Dakota, by \$ to 7 and Crawford, Wingham, defeated Rochon of Winnipeg 17 to 16. Commencing Friday there will be only four draws daily. St. Paul is sending up two rinks, which will enable five American rinks to engage in the international contest, which is set for Monday.

SEASON'S RECORD FOR THE SIMCOES

Rolled Over Twenty - Nine Hundred Mark—Bowling Scores of a Night.

The team record score for the season in Toronto for all leagues was given a great boost last night by the Simcoes in the Athenaeum A League when they totaled 2976 against the Gladstones. Starting off with a 1020 count they came back with 974 and 982 in the next two, and only for a couple of splits right at the finish of each game would have passed the 1000 mark every game.

The big pin-spillers for the night were Eddie Sutherland and Frank Leslie with 663 and 623 respectively, Sutherland getting a 280 counter to start with, while Leslie's big single came in the middle game, when he made 24.

With such rolling by the Simcoes the Gladstones had no chance, altho they put up a good game in the third with a 980 score.
