## FIRST PHOTOGRAPHS OF THE COLLAPSE OF PETERBORO DEPARTMENTAL STORE

Five People Were Killed and Two Badly Hurt When One Side of Turnbull's Store Fell Into the Street.

These four photographs, taken at Peterboro immediately after the collapse of Turnbull's departmental store, tell the story of the accident as nothing else could. The picture in the upper right hand side shows two of the rescuers carrying the dead body of one of the young women who was buried under the debris. The others show the ruins, with the rescuers at work and the crowds looking on.

### BIG PETERBORO STORE COLLAPSES FIVE ARE DEAD, SEVERAL INJURED SCORES NARROWLY ESCAPE DEATH

Removal of Wall in Reconstructing Turnbull Co.'s Store, Causes Structure to Fall, Burying Shoppers and Sales-girls in Ruins—Four of the Dead Are Women—Rescuers Work Fervently to Extricate Victims.

PETERBORO, Aug. 28.—(Special).—Five persons are dead and at least two were seriously injured about 9.30 a.m. today when the building at the corner of Simcoe and George streets, vacated by Barries, Limited, to make way for alterations by which the premises were to be added to the J. C. Turnbull Co.'s departmental store, collapsed with but little warning to the fifty or more clerks and customers in the store.

Two customers, two clerks and one workman were buried under the debris, and all were dead when found by the rescue parties.

**DEAD AND INJURED.**

The dead are:  
J. J. Cuffe, carpenter.  
Miss Lillian A. Boddison, saleslady.  
Miss Dolly Sissons, saleslady.  
Mrs. Elizabeth Brown, customer.  
Mrs. John Kelly, Norwood, customer.  
Mr. Alfred Finlay of Norwood was taken to the hospital suffering from serious injuries to her back and her recovery is doubtful.  
Harry Manley, an elderly man who was employed by the Turnbull Co., is also seriously injured. Other clerks and workmen received minor injuries.

**WERE ON SECOND FLOOR.**

The two salesladies and two customers who were killed were on the second floor of the Barries building, the ready-to-learn department having been moved there.

All the bodies were discolored and bruised and there was some time before identification was made.

### SERIOUSLY INJURED BY CARELESS AUTOIST

Knocked down by an automobile as he was crossing Bathurst street at 11 o'clock David Carson is in the Western Hospital with a fractured leg and injuries to his shoulder and arm. The driver of the automobile did not stop to see what injury had been done to the young man. Come in when you are passing and consult our hat variety.

### GOUIN WAS GONE OUTLOOK BETTER JEROME'S TRIP FOR PEACEFUL FRUITLESS SOLUTION

Attempt to Influence Quebec's Premier to Assist in Thaw's Deportation Dismal Failure, and Prisoner's Lawyers Rejoice—Chauffeur Thompson to Appear in Court Today.

SHERRBROOKE, Que., Aug. 28.—(Can. Press).—Harry K. Thaw's lawyers, successful so far in keeping their client in jail, said from the immigration authorities, rejoiced tonight when they received word from Quebec that the trip of Wm. Travers Jerome to see Sir Lomer Gouin, premier and attorney-general, had been in vain.

Mr. Jerome, leader of the New York State force seeking Thaw's return to Matteawan, accompanied by Deputy Attorney-General Franklin Kennedy, left here last night hoping to lay before the premier facts that would persuade him to sweep aside the commitment on which Thaw is held in Sherbrooke, and place him in the hands of the immigration authorities. Presumably Mr. Jerome did not know that the premier was to leave Quebec for New York to join those paying tribute to Lord Haldane, who is to arrive there from England tomorrow.

**Pressure on Gouin.**

Similarly this fact was not known to Louis St. Laurent, engaged by the Thaws to defend "gentleman Roger" Thompson, the chauffeur. Altho concerning himself chiefly with the Thompson case, Mr. St. Laurent is a resident of Quebec.

BERLIN, Aug. 28.—An American named Huelmann, who with others deserted from the French foreign legion and escaped from a troopship out of Oran by jumping overboard and swimming ashore, had an adventurous time before he was able to make his way back to civilization. Huelmann and nine comrades fell into the hands of Bedouins, who murdered all the nine but spared Huelmann, because he claimed to be a German subject. The Bedouin chief went to the extent even of conducting him to Tangier and handing him over to the German consul. He then was able to take passage for the fatherland.

### BORDEN SPOKE ON HISTORIC FIELD

Second Day's Celebration of Chrysler Farm Victory Was Notable One.

MORRISBURG, Aug. 28.—The second day's celebration of the anniversary of Chrysler's Farm victory was a marked success.

The militia representing all units in the Eastern Ontario command today participated in the celebration. To the music of five bands they marched the five miles to the scene of the engagement and there listened to speeches from Premier Borden and Hon. Rodolphe Lemieux. Premier Whitney was unable, at the last moment, to take part owing to illness.

The 42nd Regiment from Perth and Smith's Mills brought two old guns, relics of the battle.

Both the premier and Mr. Lemieux in their speeches spoke of the splendid promise of permanent peace to be found in this celebration of a battle which had occurred 100 years ago and had been followed by no similar conflict in all that time.

### HUERTA READY TO MEET LIND

VERA CRUZ, Aug. 28.—(Can. Press).—John Lind, President Wilson's personal representative, made hasty preparations this afternoon to return to Mexico City. Col. Manuel M. Guasague brought a final message to Mr. Lind from President Huerta, as a result of which, the American envoy hastened to make ready for a renewal of the negotiations at the capital.

The contents of the message have not been made public, but it is understood that Gen. Huerta has expressed willingness to meet Mr. Lind at least half way in the matter of the American proposals without absolutely yielding.

Other messages have been received by Mr. Lind since he came to Vera Cruz and answered. Members of his party express great gratification over the outcome, but say that the most important part of the work yet remains to be done.
