WANT GEORGE SYME TO BE MAGISTRATE

His Name Will Go Before Legislature as County Council's Nominee

HIGH LEVEL BRIDGE

May Be Built at Locust Hill—Deputation Asks for Grant

Possibly the most interesting development at yesterday's meeting of the county council was a resolution introduced by Reeve C. L. Wallace of Woodbridge...

A few items on the finance committee's contingencies report were the cause of some heated debate, particularly the grant to the Salvation Army...

Reeve H. D. Ramsden of East Gwillimbury and Reeve R. A. Fleming of Markham Village were appointed to represent the county...

A deputation from Locust Hill, W. H. Lapp, Albert Reesor, James Dinna and Frank Reesor, appeared before the council to ask a grant for building a bridge at Locust Hill across the Rouge River...

The increase was voted down, however, as the majority of the members were of the opinion that the education board rather kindly dealt with lately.

The following grants were approved: Prisoners' Aid Society, \$50, and public libraries, of which there are seventeen, \$25 each.

Reeve H. D. Ramsden of East Gwillimbury and Reeve R. A. Fleming of Markham Village were appointed to represent the county at the annual convention in Toronto in April.

A deputation from Locust Hill, W. H. Lapp, Albert Reesor, James Dinna and Frank Reesor, appeared before the council to ask a grant for building a bridge at Locust Hill across the Rouge River...

They asked for \$500,000, as one of any other construction would not be of sufficient strength necessary for heavy traffic or be convenient for traders of the district.

Frank Barber, county engineer, in giving rough estimate of the probable cost thought that to build a new bridge it would take \$1,000,000 more over and above the cost of the bridge at present in use.

He estimated that a straightway high level bridge would mean the expenditure of about \$1,000,000.

George S. Henry, M.L.A., East York, chairman of the good roads commission, speaking in favor of a new bridge said he would be very glad if the Township of Markham would give a grant and make satisfactory arrangements with the county council so that the roads commission could proceed with construction as soon as possible.

As to what kind of bridge should be built Mr. Henry thought that the present one is not well suited to its purpose, a high level structure would be the most serviceable.

Committee Appointed. There was a very warm debate as to how the cost should be divided between Markham Township and the good roads commission, the matter finally being referred to the following committee: Warden J. A. Charters, chairman; Commissioners R. Crossberry and J. G. Reeve Keith of Newmarket. The committee was asked to investigate the matter thoroughly and report at the next session of the council.

WHITEVALE. Anniversary services will be held in the Whitevale Methodist Church tomorrow when the Rev. Frank Keira will preach. The Locust Hill choir will lead the service in the morning and the Brougham Union choir in the evening.

AURORA. Rev. E. J. Coulter of Cookstown will conduct the services in the Methodist Church tomorrow. Mr. Chilling will give an illustrated address entitled "Some jottings on an English journey," at the next meeting of the Sunday Men's Association on Monday evening. Wives and lady friends are invited.

The Kink East branch of the Women's Institute will meet at 2.30 this afternoon at the secretary's home, Maple Avenue street.

The program comprises a paper by Mrs. James Stewart, music by Miss Marjory Stone and readings by other members.

MARKHAM VILLAGE. Markham's new Choral Society has been making great progress under the leadership of J. M. Sherlock, who conducted the Toronto Oratorio Society for seven years. At the fifth meeting twenty new members were added to the roll, which now totals 137. The executive committee have a membership of 200 x at least before the close of the season, and all interested are invited to attend the next practice, or communicate with R. J. Hare, the hon. secretary.

WESTON. The council has awarded the contract for the laying of lateral sewers to Glen Mogg of Weston, whose tender was \$40,000. Other tenders were considered from Cairns & Co. of Toronto, and Johnson Bros. of Weston.

Below was passed for sewer extension in new streets and the engineers reported that the frontage charges would be 7 1/2 cents per foot. This will be assessed at 55 cents per foot frontage and the remainder as a general rate on the whole village.

A. B. Moffat, the only one that tendered for installing sewerage plant, was awarded the insurance of \$120,000 for a three year term.

Commissioner Campbell has been engaged for some time in measuring the manholes on sewerage system. The council, contractors and engineers will make a test of the system today.

The contractors for the system, Messrs. Campbell, have returned with a final payment. They were paid \$13,255.66. All that remains is 5 per cent of the contract price, which will be retained for three months.

ONLY MONOLITHIC PIERS IN AMERICA

Support St. Clair Bridge, Says E. C. Law, Who Did the Concrete Work.

A MASSIVE STRUCTURE

Steel Work is Now Being Rushed to Completion—News of Earlscourt.

The handsome and massive concrete work of the St. Clair Avenue bridge is now finished. E. C. Law, the contractor, in an interview with The World yesterday, stated that 800 white oak piles were used for the foundation, which were driven down until bedrock was reached. No matter what the depth was, the piles averaged forty-five feet in length, and the work was kept up continuously. At times it was necessary to take the temporary bridge apart, but very little inconvenience was caused the public while the work was under way.

The structure consists of two abutments and eight piers, in sections of four each, arched together at the top, and is massive in appearance and strong and clear-cut in design. The central span, running north and south, measures one hundred feet clear between piers, while the other side is a span of forty feet, which will be utilized ultimately for lighter driving or walks. About 6000 cubic yards of the best possible monolithic concrete was used in the work, and neither break nor crack occurred from foundation to finish.

Mr. Law is proud of the fact that the structure contains the only monolithic concrete work for the Canadian workman, in his opinion it is not necessary at any time to send across the line; everything is done in the matter of work can be done at home. The total weight of material used in the construction, by approximate estimation, is ten thousand tons.

Steel Men Busy. McGregor & McIntyre, the contractors for the steel work, are now busily engaged placing the smaller girders in position. This work will be continued without interruption to completion.

St. Clair Lodge of the Dominion Elks held their meeting last evening in Little's Hall, corner Earlscourt and Ascot avenues, when eight new members were initiated. The lodge business was also transacted, and the remainder of the evening was given to social entertainment. A number of visitors from other lodges were also present.

Through the courtesy of Rev. P. Bruce, the officers of the Toronto Division of the Salvation Army held a meeting in the Central Methodist Church, at the corner of St. Clair and Earlscourt streets, when Capt. Weeks, and five other officers of the Earlscourt section; Col. Gasken, field secretary and officers from Fenelon Falls and Lindsay, Ont.

J. Manchester, Dufferin street, received official notification yesterday that his application for a mining licence had been refused. As no reason was given for the refusal by the authorities, Mr. Manchester intends to seek the commission upon what grounds the refusal is based.

MOUNT DENNIS. Tomorrow a church with a very interesting history will be opened, the Orifolia first belonged to the Methodist Church, which branched off from the Methodist Church in Weston, and by whom it was built. Some time later disunion arose among the church members and they were forced to form a new church, the Brougham Union church in the evening.

The Baptists then made an offer to exchange their church for the Congregational Church, with an additional \$3000, which was accepted. Some of the remaining members of the Congregational Church have joined the Baptists, but it is not known whether the balance of the church members will do the same.

The Rev. J. McIntosh of the Olivet Baptist Church, Toronto, who introduced the special prayer into the village, will be the special preacher at the opening services, and the formal opening will be held on Monday by the Rev. W. E. Norton, D.D., superintendent of home missions.

KING CITY. The Kink East branch of the Women's Institute will meet at 2.30 this afternoon at the secretary's home, Maple Avenue street. The program comprises a paper by Mrs. James Stewart, music by Miss Marjory Stone and readings by other members.

STREETS ALL NUMBERED

In Fairbank and Ready for Mail Delivery—Rate-payers Met.

A meeting of the North Earlscourt and Fairbank Ratepayers' Association was held last evening in the public school, Vaughan road, Fairbank. Chairman Bada presiding. There was a large attendance and among those present were School Trustee Chas. E. Lacey, H. J. Hill, Theo. Malby, secretary, Moore, Gray, Lyons, Hood, Wicks and other members of the executive committee.

Communications received from the following members of the York Township Council regretting inability to attend the ratemakers meeting on Feb. 19 in the public school, Fairbank, via. Reeve George Syme; First Deputy Reeve Theo. Griffiths; Robert Barker and F. H. Miller, as there is a meeting of the council on that date.

Letter Received. The following letter was read from Councilor F. H. Miller: "I received your kind invitation to be with you at your next meeting, but am sorry that I will be unable to attend owing to the editing of the county council week. The committee of which I am chairman meets on Friday night. I suggest that your association appoint a committee to wait on the township council regarding the improvement which you think should be done this year. The roads commissioner brings in his report about April 1 of the county work that should be carried out during the season, and you may speak to Commissioner Snider on this morning. Everything is now in readiness for the mail delivery and numbering will be finished this week. The names of the streets which have been changed, and it is up to the postal authorities to get busy. I am going in today to see Mr. Martin, in the department, and if I get an interview with him I will let you know the result. Sorry I cannot be with you, but I will do all in my power to see Earlscourt in improvement."

Raven'sden Sewer. "You might state at your meeting that we hope to begin the sewer on Raven'sden avenue on Monday or Tuesday. We are writing on Commissioner Harris of Toronto to return agreement, which we have made. This sewer, which we are planning to build, is to be unlined, and is a result of a discussion of Mr. Miller's committee on the sewer. A deputation visit the township engineer at their next meeting. The following will form the committee: Messrs. Lacey, Hill, Hood, Jones, Ingleson, Gulliver, Wright and Brown.

Among the suggestions which will be made to the York Township Council by a deputation from the Fairbank Ratepayers' Association are the following:

1. Richmond Hill. Richmond Hill is to have a commission form of government. The appointments to the department are as follows: Streets and sidewalks, Councilor Hick; Parks, buildings and town planning, Councilor Jones; Police, Councilor Gulliver; Sillars; electric light, Councilor Barker; Finance and by-laws, Reeve Pugsley.

It was resolved that the present rate for the department of lighting by the city be changed, and that \$100,000 be paid per lamp per annum be made in advance.

At the quarterly meeting of Court Richmond, A.O.P., the following officers were elected for the year: P.C.R., J. H. Innes; C.R.W., A. Wright.

WOODBRIDGE. Considerable damage was done to telephone wires yesterday by a storm, and a large number of wires were broken. It is estimated that it will take three days to make repairs.

TWO DEATHS IN WESTERN HOSPITAL

Abraham Irish and Daniel McKeechne Passed Away Yesterday.

NEWS OF WARD SEVEN

Unemployed Still Welcome at St. John's Parish House Every Day.

The Humberdale Collegiate Institute Literary Society held an interesting meeting yesterday afternoon in the school auditorium, when the athletic association was in charge of the proceedings. The boys had prepared an excellent program, and a large number of students attended. The program consisted of a play, a song, and a dance. The play was "The Boy Who Cried Wolf," and the song was "The Boy Who Cried Wolf." The dance was a waltz. The meeting was very successful, and the proceeds were used for the purchase of books for the library.

The death occurred yesterday at the Western Hospital of Abraham Irish in his 82nd year. The late Mr. Irish had been staying at the home of John Irish, at 248 Pacific Avenue, for some time, and was operated upon about a week ago for kidney trouble. The body was shipped to his former home at Ernestown, Ont., at noon today, for interment.

Daniel McKeechne, of 144 Vine Avenue, died yesterday morning at the Western Hospital, after an extended illness, in his 80th year. The funeral takes place at Prospect Cemetery.

Unemployed Welcome. St. John's Parish House is still open for the unemployed. A large number of men temporarily out of work have availed themselves of the shelter provided, and some have been provided with work through the agency of those in charge.

NORTH TORONTO. A very successful skating carnival was held in the Victoria Park rink on Thursday night, when a large number of people enjoyed the skating. In the fancy dress contest, the costumes were very original, and the winners were Mrs. Mitchell, Mrs. W. Hawkin, Mrs. J. Mitchell, Mrs. Rennie, Mr. Brown and Mr. Smith.

The following were the winners: Fancy dress, Mrs. Mitchell; first prize, Mrs. Mitchell; second prize, Mrs. W. Hawkin; third prize, Mrs. J. Mitchell; fourth prize, Mrs. Rennie; fifth prize, Mr. Brown; sixth prize, Mr. Smith.
