Sir,

Lease 127-

Referring to your special
Rent Return for the month of
April last. I find that from
the sum of \$90⁰⁰ paid as rent,
\$36⁴⁵ was retained for improvements
and the balance returned to the
Locatee. The same reduction for
improvements was also made
the previous year - This is not
in accordance with the agreement
for Lease which states that the
sum of \$37⁰⁰ is to be retained
each year for the last two years
of the Lease. This will leave \$2⁰⁰
arrear due for improvements.
