# MAP

OF

A PART OF THE

PROVINCE OF QUEBEC

# DOMINION OF CANADA

*From the Surveys and Explorations of the Geological Corps under the direction of Sir W.E. Logan from 1844 to 1869 and from 1870 under the direction of Alfred R.G. Schoen. The history of the explorations referred to is given in detail in the Reports of the Survey from 1844 to 1886*

*Note: This map was first published in 1875 as a topographical map of 'The Eastern Townships and was reprinted in Walker & Miles' Atlas 1875.*
