CORINTHIANS WIN 2-1 FROM ALL-ONTABIO

Seccer Game at Hanlan's Point a Great Contest Before Good Crewd.

STADIUM, HANLAN'S POINT, Aug. -About 5000 people were on the grounds this afternoon when the ball was kicked off in the soccer game between the famous Corinthians of Eng-land and a picked team from All Ontario. The weather was a little warm but a slight breeze added considerably to the comfort of the players.

It was about 3.40 p.m. when the Ontario team came on the grounds and indulged in a few minutes' practice before the visitors arrived. The Corinthians were received with loud applause when they trotted out on the field and commenced practice on goal. Their togs

menced practice on goal. Their togs consisted of blue pants and white shirts and blue and white socks. The Ontarios wore yellow shirts and white pants. The band of the Queen's Own Rifles was in the grand stand playing musical selections all the aftermoon.

The Ontarios won the toss and the ball was kicked off at 3.42.

The line up was as follows:
Corinthians—Goal, G. G. Newman; right back, R. G. Thompson; left back, F. N. Tuff; right half-back, P. Sangent; centre half-baok, J. E. Snell; left half-back, R. M. Weeks; outside right, K. C. Mahler; inside right, A. T. Coleby; centre forward, K. G. Bache; inside left, S. H. Day; outside left, C. E. Beasley.

Referee—W. S. Murchie, Toronto.
Linesmen—A. L. Corbett, Corinthians;
R. Gillesple, All Ontario.

Samuel Day is the captain of the Corinthians, and George Campbell captain of the All Ontario team.

There is hardly a Canadian player on
either, the All-Ontario being made up of
Sootch and English picked players, who
have distinguished themselves in the old
country before coming to reside in Canada. When the game commenced the
Ontario team started strenuous play and
kept the ball in the Corinthians' territory. After a brilliant bit of combination play the local team drew first blood,
T. Currah, the swift outside right player,
putting a shot into goal. The crowds
applauded wildly.

The hot weather seemed to put the
Corinthians at a disadvantage. Wallace
was laid out with a chance kick, but recovered a moment later. The Corinthians
began to show up in their true form at
this stage and rushed the play, and after
some clever passing between the forwards, Colby put in a low shot, which
Crompton failed to stop. The big crowds
fairly howled when the visitors evened
up the score. A beautiful end-to-end
play followed, and Brisley got a nice
run down the field. He hot, but the
ball went three yards outside the goal.

ever seen in Toronto. Neither team was able to score again, and the half-time result was a tie. Corinthians 1, All-Ontario I.

During the intermission at half-time the Corinthians' manager said he was surprised to see such a good team as the All-Ontarios.

They were playing nice clean football and were far and away better than any team than opposed the visitors during the last Canadian tour.

Second quarter.—Ontario gave another sample of their splendid combination playing, but the visitors got possession of the ball and Day put in a swift shot, which narrowly missed the goal. The local men played hard, but the Corinthians kept pressing the play and Brisley scored, making the score 2 to 1 in favor of the overseas visitors. The sympathy of the crowds was undoubtedly in favor of the corinthians, judging from the applause that greeted the scoring of their second goal. Rogers was fouled and as a result the Ontarios were given a penalty kick, but Farrant falled to score, his shot going wide. The weak point of the local team is their shooting on goal, which is nearly always wide, the Corinthians' backs playing a stubborn defence and keeping their opponents well in hand. Newman in goal made a brilliant play, getting the ball safely out of danger with three men almost on top of him. Day made a lightning shot on the locals' goal, but Crompton stopped it very cleverly.

Bache threaded his way thru the Ontarios backs, and nearly scored. The local men are playing fast and continually getting the ball down field with their wonderful combination play, but we wan is playing a magnificent game in goal and stops everything that comes along. Farrant, Corran and Rogers are distinguishing themselves by brilliant play, but in spite of desperate efforts on the part of both teams neither can score. In a whirlwind finish the game was ended with the score 2 to 1 in favor of the Corinthians. The crowds rushed on the field and cheered the victors as they went to their dressing rooms.

Wins Junior Fours.

OTTAWA, Aug. 5.—(Special to The Sunday World)—Under the most favorable weather conditions and before one of the largest crowds that have ever featured C. C. A regatias, the Canadian Cance Association held their annual meeting here this afternoon, the large number of visiting paddlers, together with their many supporters, featuring an event which will go down in paddling circles as one of the most successful ever held in the capital. New Edinburgh are slight favorites in the war cance race, and especially in the mile, they capturing this event at St. John's last season. Toronto, however, are looked upon as the crew to beat in both the mile and half-mile races, and the red, white and black paddlers have been instructed to watch the Queen Cityebunch. The latter have made the fastest time at the qualifying meets of any of the entries, but the strangeness of the water may handicap them slightly, altho they are well familiar with the rough water on Toronto Bay.

The events were all run off in order, the first heat starting at 2 o'clook. Altho the smaller boats are causing interest, the feature events are the war cance races, the half-mile taking place at 3 o'clock, and the mile at 5 o'clock.

Lou Skuce, one of the best known paddlers in the C.C.A. circuit, met with an unfortunate accident last evening which will keep him out of to-day's races. Lou figures in the Britannia tandem, fours and war cance crews. Last night while boarding a craft. Lou fell off the wharf and broke his arm. The injury will keep him out of the boats for the remainder of the season.
