"HORRIBLE SERVICE" ARGUES IRE OF USERS

High Park District Residents Held Hot Meeting of Protest Against Street Railway Company.

At a meeting last night of the ratepayers of the High Park school district, regarding service of the Toronto Street Railway Co., many a warm complaint was heard in the Howard Park Schoolhouse.

Citizens were gathered from all over the district, the schoolhouse was packed and many and frequent were the caustic comments cast upon the Toronto Street Railway for the service they give this section of the city.

"I have known as many as 78 people to wait at Roncesvalles for the stub line car," said J. B. Train, amid a burst of applause, "I believe," he continued, "the Toronto Railway could start a new line running down Dundas-street."

Mr. Burke, 47 Galley-avenue, was the first to give evidence against the alleged poor service of the railway company. "I have known," he said, "as many as 27 women to wait on the higher street for the stub line car to their homes," he said.

"If the service is not bettered," he said, "the road may revert to the people of the country." Said W. Walker, 18 Marquise-street: "The car leaves the city and even the motorman does not know where he will finally alight."

It was finally decided to have a delegation of citizens of the district meet the Manning Building, Friday at 2 p.m. called on. "You must abolish the stub line," he declared. "There is no reason for cars being in the middle of the street."

Mr. Price was the chairman. It was finally decided to have a delegation of citizens of the district meet the Manning Building, Friday at 2 p.m. called on. "You must abolish the stub line," he declared.

An illuminated address was presented to Dr. Stowe Gullen. It said that the officers of the Canadian Suffrage Association desired to express their appreciation of the valuable services she had given to the cause in Canada.

The address reviewed her activities in other lines, but it said her greatest work had been in the cause of woman suffrage. The officers of the association signed it.

In giving her thanks Dr. Gullen told the history of the movement in Toronto. Others who spoke were Dr. Margaret Gordon, Miss Gertrude Lawler, Mrs. Glasgow, J. E. Middleton and W. Munns.

MOTORIST NOT BLAME FOR STEWART'S DEATH

The inquest showed that the deceased, who met his death about 10:20 p.m., on Dec. 12, at the corner of Queen and Jarvis streets, was struck by a motor driven by Frederick Hassal. The deceased, a man about sixty years of age, had appeared to be crossing the street when he was struck by the motor.

He was running along the car tracks, and when he approached the intersection he was struck by the motor, which was moving rapidly, after that he had seen the deceased leave the south Queen street curb to cross the road, he was about 100 feet away. He was running along the car tracks, and when he approached the intersection he was struck by the motor.

Langmuir was remanded a week in police court yesterday morning.

Portugal and the R.C. Church

LISBON, Dec. 13.—The Portuguese Government has informed the Catholic hierarchy of Lisbon, Mr. Anthony Mendes Bello, that it will not pay any salary to the clergy unless the clergy submit to the law separating church and state.

This announcement was made in consequence of the receipt of advices from Rome that the Pope had authorized destitute Portuguese priests to accept stipends from the republic on the condition that they did not allow the government to interfere in ecclesiastical matters.

Citizens were gathered from all over the district, the schoolhouse was packed and many and frequent were the caustic comments cast upon the Toronto Street Railway for the service they give this section of the city.
