

IS YOUR SKIN BROKEN OUT?

Are you troubled with blotches, pimples or blackheads? Mr. O. M. Smith, of 630 21st St., Edmonton, says: "For skin troubles there is nothing can equal Zam-Buk. My skin was so blotchy I was ashamed of it, and although I tried every remedy I could think of, it got no better until I used Zam-Buk. This herbal balm has worked wonders—my skin is now perfectly clear and smooth."

Such ailments, although apparently on the surface skin, really arise in the underlying tissues, and Zam-Buk's success in such cases is due to its wonderful power of penetration, which enables it to reach the root of the trouble. The stimulative quality in Zam-Buk rouses the sluggish cells to healthy action. This promotes a vigorous circulation which carries off all impurities and a smooth, clear skin is the result.

Zam-Buk is equally good for eczema, ulcers, blood-poisoning, piles, burns, cuts, chapped hands and chilblains. All dealers at 50c. a box.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! See if Tongue Is Coated, Breath Hot or Stomach Sour.

"California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste, and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, happy child again.

When the little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, cold-cough, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know that a spoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine made by "California Fig Syrup Company."

WITH FINGERS! CORNS LIFT OUT

Costs few cents! Doesn't hurt a bit! Drop a little Freezone on that touchy corn, instantly that corn stops hurting, then you lift it right out, with the fingers. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius.

Women Everywhere Use Lemon Juice To Beautify Skin

The beauty lotion which is becoming so popular throughout the country is easily prepared by anyone, and a whole quarter pint of it doesn't cost any more than a small jar of the common, ordinary cold cream.

Add the juice of two fresh lemons to three ounces of orchard white and shake well in a bottle. Strain the lemon juice two or three times through a fine cloth so no pulp gets into the lotion, then it will keep fresh for months. Regardless of what price you pay or how highly advertised, there is nothing else really more meritorious in beautifying, softening and clearing the skin. As a tan and blemish remover, also to remove oiliness and sallowness, lemon juice has no rival. Massage it into the face, neck, and arms once or twice each day, and just see if it doesn't bring out the roses and hidden beauty!

Lemons have always been used to bleach the skin, but pure lemon juice is too highly acid, therefore should never be used except in this manner.

If properly prepared, this sweetly fragrant lotion will speak for itself. Any drug store will supply the three ounces of orchard white at very little cost, and the grocer will supply the lemons.

DUKE'S VISIT TO LONDON MONDAY WILL BE BRIEF

Governor-General Must Return to Toronto for Evening Meeting There.

PUBLIC BEING INVITED

Opening of Soldiers' Infirmary at Alexandra Sanatorium Big Event.

The Duke of Devonshire will reach London at noon Monday to open the new soldiers' infirmary at the Queen Alexandra Sanatorium, Byron, Sir Adam Beck announced today. It is not known by what road he will come.

The time set for the ceremony at the sanatorium is 2 o'clock, as the governor-general must leave early in the afternoon, for he is to speak at the opening of Toronto's big patriotic fund and Red Cross drive in Massey Hall in the evening. He will return to London in the spring for a visit.

Besides opening the new pavilion, the vice-regal visitor will unveil a tablet which has been placed in the dining-room, in memory of the late Col. Wood, Leonard. This has been given by his father, who in addition to donating generously to the construction of the building, had turned the dining-room, which will seat 110 soldiers.

Most Modern Equipment. Before the opening ceremony there will be an address of welcome delivered to the governor-general by Sir Adam Beck, president of the London Health Association. Following the speech, the opening will take place.

The new building will have a capacity for 200 soldiers and 75 civilians and will be equipped with the finest medical equipment in Canada. It will have an X-ray room, operating room, dental rooms, pathological laboratories and necessary departments to make it most complete. The kitchen equipment will be entirely electric. It is being fitted under the supervision of Miss Riley, the dietitian of the Military Hospital Commission.

Invitations to be present at the opening ceremony have been sent to municipal bodies in London, St. Thomas, Middlesex, Epsom and other centres, as well as subscribers to the Sanatorium and others. As it was impossible to reach the general public, Sir Adam Beck says all will be welcome. The street railway company has provided a special service to Springfield, and there will be sleighs at the end of the line to convey visitors to the building. The parks commission is clearing the snow away, and there are men working clearing the roads.

Sir Adam announces that the nurses' and medical training building, being erected at Byron, will not be completed until April.

FIGHTING PARSON DENIED CHANCE TO SEE FIRING LINES

Rev. Morley Colling Is Being Invalided Home.

Rev. Morley Colling, who went overseas with the Signaling Corps of the 136th Battalion, returning to Canada in the near future on sick leave, according to a cable and also a letter received by his mother, Mrs. Ellen Colling, of 223 Waterloo street.

At the time of his enlistment, Mr. Colling was officiating on the Byron circuit, giving up his charge for overseas service in the Canadian ranks. In England he was transferred to the 136th Highlanders. The strenuous training proved too much for his strength. He was taken ill, suffering from blood-poisoning, and was in the hospital for a length of time. He called a short time ago at the Sandford Hotel, where he has been a patient, stating he was coming home. In a letter which followed he expressed his intense disappointment that he had not been able to get to the front.

Another son of Mrs. Colling and the late Rev. Thomas Colling, has given his life in the present war.

FIREMEN'S WEEKLY CONCERT ENJOYED

Good Program Presented at Central Hall.

The weekly concert at the central hall last night was presented by a great array of local talent and was an excellent one, according to the firemen.

Solo was given by Mr. Skinner; Highland fling, Scotch dance, Irish jig, sailor's hornpipe and evening dances were given during the evening by Misses Jones and Edmunds, the sailors' dance accompanied by a song. Miss Higgins gave two readings. Misses Jones and Dumbra and her two brothers instrumental. Solo was rendered by Walter Gann and William Wylie and Mr. Barrett, while Assistant Chief Chase, Scott made a brief speech. George Bolton was chairman.

Kitchener Youth Gets One Year On Perjury Charge

Bernard Litfin Secured Passport by Fraudulent Methods.

WINDSOR, Jan. 17.—Bernard Litfin, a subject of Germany, arrested for perjury in connection with the securing of a Canadian passport to cross the river here, was sentenced to one year's imprisonment in the Ontario Reformatory by Police Magistrate Leggat today. He formerly resided in Kitchener.

John B. Warren and Ernest Cole, two Detroit men, arrested on complaint of the immigration authorities on the ground that they had assisted Litfin to obtain the passport, were let go on suspended sentence.

It was shown in the evidence that Warren had induced upon the basis of the passport application that he had known Litfin for several years, whereas he had known him less than a single day.

The announcement that both Warren and Cole had escaped punishment, although it was shown they had assisted Litfin in leaving Canada, created a surprise in court room.

BUYS FINE FARM.

SEAFORTH, Jan. 17.—A number of the farms are changing hands in this section, owing to lack of farm help. The latest to sell out is James Kerr, four miles north of town, in McKillop Township. The buyer is Angus Moore, of Dashedwood. Mr. Kerr will retire to Seaforth.

MAY STAY AT BRANTFORD.

BRANTFORD, Jan. 17.—A call to become pastor of Alexandra Church was presented to Rev. C. S. Oakes of Toronto at a meeting of the Parish Presbytery in Zion church here today. Rev. Oakes has already received a call to the pastorate of the Davenport Road Church, at Toronto, and announced that he would further consider his invitation to this city.

ADDED HONOR FOR MAJOR HUGH NIVEN

CAPT. BOB PEARSON, ALBERTAN M.P.P., ON WAY TO OLD HOME

Will Visit Parents in Ethel, Huron County.

WIFE LEAVING TODAY

Will Join Soldier-Husband Before Going to Edmonton.

Capt. (Rev.) "Bob" Pearson, who was elected in the recent Alberta election as soldiers' representative in the Legislature, is on his way from St. John, N. B., to his former home in Ethel, Huron County, to visit his parents, Mr. and Mrs. Robert Pearson. His wife, who is with him, has been staying with her mother, Mrs. Ellen J. Colling, 223 Waterloo street, during his absence overseas. He will be leaving today in order to be there when he arrives.

Capt. Pearson will also pay a short visit in London before going on to Edmonton, Alta., to take up his duties as member of the Legislature during the session.

Probably no more popular student ever graduated from Victoria College than "Bob" Pearson, or a finer athlete. During his time in Victoria he made the Varsity football team and was a member of the championship team.

Entering the Methodist ministry, he went West, where he held important charges in Calgary and Red Deer. For a time before enlisting as a combatant officer in the 4th Battalion of Calgary, he was engaged in Y. M. C. A. work. Retaining his interest in athletics, probably no man in the West did more to encourage clean amateur sport in the West and in his own province than Robert Pearson.

Going overseas in May, 1916, he was only a few weeks in England when he was sent to France. He was wounded at Courcellette and afterwards not permitted to return to active service until the spring of 1917. Under the circumstances, he accepted as an alternative a "Y" appointment, rendering Y. M. C. A. services at the most advanced units.

Capt. Pearson holds the distinction of being the first soldier to be elected to the Legislature from the field of action.

At the last Alberta provincial elections, two new seats were created to be filled by representatives elected by the soldiers overseas. Miss R. C. MacAdam of Edmonton, formerly of Sarnia, was chosen with Capt. Pearson to represent the soldiers, and arrived in London on the same boat as he did. Miss MacAdam for a time after going West was engaged in newspaper work and in connection with organizing Women's Institute work in Alberta. She went overseas as a nursing sister and was engaged in her duties there when the honor was bestowed upon her of being made one of the first women members of the Legislature in Canada. She is a sister-in-law of Canada's food controller, Hon. W. J. Hanna.

LAKE CARRIERS WILL TRAIN SAILORS FOR AMERICAN NAVY

Recruits Are To Be Placed On Every Vessel Operating On Great Lakes.

Detroit, Mich., Jan. 18.—The Lake Carriers' Association in annual convention here re-elected all officers for another year, agreed to a request from the navy department to help in the training of men for duty as seamen, and voted to continue in operation the welfare plan of the organization.

The request of the navy department was that the carriers place on each of their steamers on training and two vessels as many recruits as can be accommodated.

TOBACCO IS DUE FOR A BIG RISE IN PRICE, SAYS BIG IMPORTER

Great Rush for Slices of Shipments to Montreal—London on Hand.

Montreal, Jan. 17.—The increasing scarcity of tobacco and the importation of higher prices were indicated by the eagerness with which forty tobacco dealers from all over the provinces of Ontario and Quebec grabbed up a distribution that was made at the Windsor Hotel here today for the first time of 222 boxes of sumatra tobacco which was imported direct from Holland, representing an expenditure of a quarter of a million dollars.

Dealers were warned by Joseph F. Cullen of New York, recognized by the trade as the king of tobacco importers on the continent at a luncheon at the Windsor Hotel today that there was a serious shortage of tobacco here and that the prices were going higher soon. Mr. Ward of London, Ont., was toastmaster at the luncheon.

GOMPERS DOUBTFUL OF GARFIELD'S PLAN TO CONSERVE FUEL

Is Only Warranted If Based On Immediate Emergencies.

Washington, Jan. 18.—The shutting down of all industries for five continuous days is only warranted if based upon immediate emergencies, and I have some doubts if five continuous days is the best measure, said Samuel Gompers, president of the American Federation of Labor, last night. He certainly seems a very radical measure to meet the problems of transportation. I am in receipt of a large number of telegraphic protests from workers in the several parts of the country declaring that the effect of the order will be to throw their men out of employment, that due to the high cost of living they have been unable to lay aside anything and that their suffering during this period would be very great.

In addition to this, I am strongly of the opinion that to place the industries of the country upon an 8-hour basis workday, at least during the war, and as a war measure, would have been much wiser and more practical course than the creation of legal holidays, which will mean holidays from Saturday afternoon until Tuesday morning.

NO FREIGHT INCREASE ON WHEAT TILL JUNE 1

OTTAWA, Jan. 17.—The railway commission, in a judgment handed down today, grants the request of the western grain men that the increase freight rates on wheat be postponed until the recent judgment of the board be brought into effect until June 1 next.

The request of the lumbermen to postpone the raising of rates at feeling lumber is not granted. The board finds in this case that no application for a stay of judgment ought to be granted.

PRESIDENT-ELECT OF CANADIAN ASSOCIATION OF DRUGLESS DOCTORS
