JUNE 27 1910

7 1

All connected with the management of the First Ward Conservative Assoday afternoon deserve congratulations. The Beaches, East Toronto, Midway and Chester associations also combin-ed in making it a success and it is estimated that about 5000 persons enjoy-ed the athletic sports, baseball games, band music, shady groves, splendid beach and, last, but not least, the ora-tory specially provided for the occa-

A platform and a lot of temporary benches were placed in the shade, and a thousand or so men, women and children listened for two hours to suba thousand or so men, women and children listened for two hours to sull-gies of the Whitney government and the Borden opposition, and to the re-verse concerning the Ottawa adminis-tration. Premier Whitney wasn't thare, but among those notable who we're might be mentioned. Hon. Dr. Pyne, Hon. Thomas Crawford, Hon. J. J. Foy, Mayor Geary, Hon. I. B. Lucas, T. W. Crothers, M.P., St. Thomas; Claude Macdonell, M.P.; R. R. Gamey, M.L.A.; W. D. McPherson, M.L.A.; John Shaw, M.L.A.; Alex. McCowan, M.L.A.; A. E. Kemp, ex-M.P.; ex-Ald. McGhie, G. T. Blackstock, K.C., and a large number of party stalwarts, ff-cluding Dr. Beattle Nesbitt. President Dick Greer was in the chair. Hon. Dr. Pyne spoke chiefly of the merits of technical education, and ad-vocated continuation schools. Mr. Gamey was greeted with loud applause. He said he believed in party government, and, to show why young men should ally with the Conservative party, proved the worth of the Whit-

government, and, to show why young men should ally with the Conservative party, proved the worth of the Whit-ney government by citing the increased revenue derived by the new timber and mining policies. Especially did he com-mend the new polic of selling timber limits by the thousand feet instead of the square mile, as formerly, permit-ting more to tender and assuring better results for the province. Mr. Kemp spoke of the reckless ex-penditure of the Laurier administration and characterized the Canadian nevy

and characterized the Canadian navy

and characterized the Cahadigar and characterized the Cahadigar as a theatrical farce. Mr. Crothers, M.P., for West Elgin, ridiculed the government for their terribly inadequate estimate of the expenditure necessary for the construction of the transcontinental. Regarding the commission appointed to garding the commission appointed to carry out the construction of the road, not one of the members had a practical knowledge of railroading. The chairman of the commission was a man who had been engaged in manufacturing corsets for forty years. It was hardly any wonder that the Guebec bridge had collapsed. He pok-ed a lot of fun, while narrating some ed a lot of fun, while narrating ed a lot of full, while instantiations point well-known facts concerning incidents in the political career of "Sweet Wil-liam" Pugsley. Mr. Blackstock prefaced his ad-dress with a short review of his own parliamentary ambitions. He freely admitted that he held the doubtful honor of being the most frequently dehonor of being the most frequently de-feated candidate for political honors in Canadian parliamentary history. "I was put in the political cemetery." said he, "from which there is no re-surrection, and as a prophet not with-out honor, save in his own country. I decided to cross the Atlantic and see how I got along in British politics." Mr. Crothers' statement that the Liberal party dared not review their past record, said the speaker, was true, for it showed too clearly their lack of honesty and common decency. He onor of being the most frequently dehonesty and common decency. I believed that the people of Cana He were as strongly in favor of returning the Conservative party into power at Ottawa in the next election as the people of Ontario were in retaining the present provincial government. Democracy could only endure and succeed in proportion as the individual citizen does the best he can for the state in which he lives.
