

## HIGHLANDERS TO RETURN SUNDAY

Will Bring Back Recruits Gathered in New York and Chicago.

### TO BE WELCOMED

Party, With Band and Colors, to Parade to the Armories.

Toronto will have an opportunity to give the Highlanders a right royal welcome back from their triumphant New York and Chicago recruiting mission Sunday morning. The parade will start at 10 o'clock from the City Hall and will proceed to the armories. The local military officers are arranging for the parade to be a most impressive reception in keeping with the importance of the cause for which the Highlanders are fighting. It is certain that the public will have its enthusiasm quickened by the presence in the Highlanders' home arrival parade of a party of Britishers from Chicago, who could not withstand the call to the colors; Lieut. Slater's magnificent band and the pipers.

The Highlanders' bands and draft of overseas volunteers are due to arrive at the Union station between 10 and 11 o'clock in the forenoon. The parade route will be from Front street to the armories. The American recruits will form a guard for the colors.

Members of the Canadian Army Service Corps, which has been named for overseas at an early date, have spent their last leave this week in Toronto and other home towns. The Toronto men expressed general satisfaction with conditions at Camp Borden, where they are quartered, but have found the vast camp rather like a deserted country, with only a few units located there at present. The expectations, they say, at the big camp is that next season, under the military service bill, will see upwards of forty thousand soldiers under canvas.

## PLAYS, PICTURES AND MUSIC

### THE HIPPODROME

The end of Russia as an absolute monarchy and the deposition of the czar, are vividly shown in the first authentic pictures of the Russian revolution, which will be shown at the Hippodrome at 1:40, 4:15 and 7:45 p.m., every day next week. The picture is a replica of a thrilling, intensely interesting scene. The story of a jewel theft and the search for the international thief who led his pursuers half-way round the world, is shown in "The Hunting of the Hawk," the sensational film feature starring the celebrated Broadway star William Courtenay. The picture will be shown at 1:55, 4:20 and 5:15 p.m. In "The Liberty Bells," the management offer one of the brightest musical comedies in miniature at present in vaudeville. Margaret Ford, a petite singing comedienne, has some new songs, while West, advanced gymnast, Clayton Conrad in Crayon Conceptions; the Paris Duo, piano-accompanists, complete a well-balanced bill.

### "THE ROBINS PLAYERS"

A detective comedy with all the elements of dramatic suspense, is one of the ways of describing the new Farvey J. O'Higgins and Harriet Ford, comedy which Edward H. Robins and the Robins Players are bringing to the Alexandra for one week commencing next Monday night. The leading figure of the play is "Barney," the ex-messenger boy who desires to become a great detective. How he successfully rescues the blue-eyed cheer-lead and earns the \$10,000 reward is most amusingly told in "The Dummy."

### "THE WHIP" AT THE GRAND.

"The Whip," the big sporting film-drama, closes its fifth and last week at the Grand Opera House with two performances on Saturday at 2:15 and evening at 5:15. This remarkable photo-play is still as popular as when first presented, and will be a welcome visitor when it returns in the winter season.

### "CAMILLE" AT THE REGENT.

"Camille," Alexander Dumas' immortal drama, starring the beautiful motion-picture actress Clara Kimball Young, is the big feature attraction at the Regent all next week. This play has given the greatest actress of two generations the opportunity of appearing in a spectacular role, bringing out all of the varied emotions which can be shown on the stage. "Camille" is a light of love. She belongs to that class which greys upon men. Clara Kimball Young, in her portrayal of "Camille," achieves the same kind of brilliant success that came to her as the heroine in the "Common Law." Indeed many critics have said that her work in this famous romantic story of Bohemian life in Paris exceeds anything she has yet attempted. The Regent New-Wentworth, which has already established a reputation for being the most up-to-date news feature shown in the city, will have amongst other things, the events of the 48th Highlanders to Chicago, a Mutt and Jeff cartoon, a Sydney Drew comedy, and a setting of the latest musical arrangement especially for the feature attraction. "Camille" will be played by the justly-famed Regent Symphony Orchestra.

### LOEW'S THEATRE.

Seven exceptionally attractive vaudeville acts of standard calibre, with Maurice Samuels and his players in a unique playlet, "A Day at Ellis Island," occupying the headline position, will be presented next week at Loew's Yonge Street Theatre and Winter Garden. By special request the theatre is repeating its production of last year, instead of "The Miracle," as previously announced. As a special screen attraction, Miriam Cooper, who won fame as one of the leading characters of "The Birth of a Nation" and "The Crisis," will be seen for the first time in Toronto in "The Silent Lie," the plot of which is laid in the great northern wilderness, a buckie, in "The Rough House," and pictures showing incidents and scenes in connection with the visit of the recruiting 48th Highlanders to Chicago this week, will be added film features. Other bookings include Bob Hall, offering extemporaneous songs and a variety of songs; her Brazilian "Nuts," presenting musical comedy; the Veppo Duo, "The Accordionist and the singer," the Howard Sisters, international entertainers, and Fred Webster and Company, in a ventriloquist offering, "At the Stage Door."

### AT THE MADISON

A "corking" good photo-play, "The Little Boy Scout," which, with Ann Pennington of the Ziegfeld Follies, in the title role, will be the feature for the first half of next week at the Madison Theatre. One of the

MR. ROSENBERG.

559 Casgrain St., Montreal, April 20th, 1915.  
"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruitatives.' I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of intestinal paralysis, with nasty headaches, belching gas, drowsiness after eating, and I was very much surprised at the results of physicians, but nothing helped me. Then I was induced to try 'Fruitatives,' and now for six months I have been entirely well."  
"I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruitatives,' and you will be greatly surprised at the great benefit you will receive."

It is forty years since Wilkie Collins wrote "The Woman in White," but, as the records of libraries testify, that volume is still one of the most popular works of fiction with the present day public. The photoplay version of this famous novel, which is being shown today at the Strand Theatre, is fully worthy of the great book on which it is based.
