MOSHER DEFENDS **CHOICE OF SENATOR**

for Criticizing McDonald Appointment.

Ottawa, Feb. 20.—The attack on the Meighen government by The St. John Standard for the appointment of J. A. McDonald of Shediac, N.B., as senator, has brought forth a vigorous reply from A. R. Mosher, grand president of the Canadian Brotherhood of Railroad Employes, of which or-ganization Mr. McDonald is a member. Mr. Mosher, in a statement issued this evening, praises the administration for its courage in making the appointment, and declares that a few more such "political blunders" will guarantee its perpetuity in office.
Mr. Mosher's statement follows:
