LOOK UP THE OPTIONS FOR EXTENDED DRILL HALL

Officers of 13th Regiment Have Good Time at Annual Picnic.

Hamilton, Sept. 11.—(Special.)—The government took up all the options Saturday on the land that will be required for the new drill hall extension.

The following are said to be the prices paid: George Case \$12,000; Mrs. Carroll 4000; Mrs. Gould 4000.

James-street up to Dr. Mullin's residence. While this announcement will be pleasing to the city as a whole, since it is taken as a sign that the drill hall will be built this fall, there is some dissatisfaction about the way the government went about the deal.

It employed a Conservative agent and this fact was made known to active Liberal workers at a low figure, while Conservatives were in a position to hold out for high prices.

The officers of the 13th Regiment had a picnic on the bank of the lake, near the drill hall, on Saturday afternoon.

The picnic was a success, and the officers and men enjoyed it very much.
