Dear Sir:-

I find that a timber permit was issued last December to Adam White of the Gibson Reserve to cut 2500 feet of timber on lot 14, concession 6. Mr. White informs me that this timber has not been cut and he wishes to receive a new permit in order that he may do so.

I would recommend that this permit be issued, and would be glad to have your advice in the matter.

Thanking you, I am,

Yours very truly,
