Steamer Calvin Austin, Captain Pike, arrived this morning about 8.30 o'clock from Boston and Maine ports, with 31 passengers and general cargo.

The Every Day Club is open to men this afternoon. An orchestra is to be in attendance, and there is other entertainment. Coffee and sandwiches will be served to all comers.

At the regular meeting of the N. B. Historical Society last evening, several interesting papers were read by Clarence Ward, W. C. Gaynor, and Rev. Dr. Raymond.

Yesterday's New York Herald states that the Battle line steamer Solinda, Captain Abbott, has arrived at Hamburg from Savannah, via Havre, with loss of part of deck and with sundry losses and damage sustained in heavy weather.

The C. P. R. steamship Lake Champlain arrived in port this morning from Liverpool, G. B. with a large general cargo. The steamer docked at 9 a. m. and landed 46 second cabin and 44 third-class passengers. Captain Webster reports a very rough passage with high seas and heavy winds. The captain did not sight the overture steamer Mount Royal, but said, if she was 50 days out he would still have hopes that she would arrive safely.

## CONTRACTS FOR FEED AWARDED

Board of Works Met Last Night and Transacted Much Business.

At a meeting of the board of works last evening tenders for feed were awarded. A complaint from the Robert Reford Co. and William Thomson & Co. that there was discrimination in the wharfage rates on the east and west sides of the harbor was referred to the treasury board. A committee was appointed to report to the council on the improvements in the D. A. R. warehouse which are estimated to cost \$650. The statement of expenditures for the year showed that \$92,449 had been spent out of an appropriation of \$72,000. A motion expressing the sympathy of the board for ex-Alderman C. F. Tilly in his illness and hearty good wishes for the new year, was passed.

A. M. Rowan was given the contract for supplying 40 tons of loose hay at \$18, and A. C. Smith & Co. were given the contract for 30 tons pressed hay at \$14.25. L. C. Prime received the contract for six tons of straw at \$8.00, and A. C. Smith & Co. the contract for 3,500 bushels of oats at 49 7/8 cents, and 2 1/2 tons of bran at \$25.50.

The Robert Reford Co. asked that the upper end of No. 4 berth be dredged.

The St. John Railway Co. drew attention to a request from the acting chamberlain for payment of \$300 as part of the purchase price to be paid by the company on the city acquiring the Ellis property in Paradise Row. They stated they were willing to do so as soon as permission was given them to double-track that section.

The Robert Reford Company and William Thomson & Co. wrote complaining of a discrepancy in the wharfage rates on the east and west sides of the harbor. They pointed out that on the west side the top wharfage was ten cents a ton and on the east side twenty cents.

The matter was referred to the treasury board to hear F. D. Alward, the collector. The chairman, Ald. Holder, Sprout, Bullock, Kelley and Lewis were appointed a committee to inspect the repairs to the Lower Cove wharf and the D. A. R. warehouse, and the D. A. R. warehouse.

Before the meeting adjourned the chairman expressed his satisfaction at the pleasant manner in which the business had been conducted during the last eight months and concluded by wishing the board and the reporters a Happy and Prosperous New Year. His remarks were received with much applause.

## STEAMERS ARE IDLE

Members of Longshoremen's Association Decided to Take a Holiday Today.

The members of the Longshoremen's Association are not working today and in consequence the steamers of the C. P. R. and Donaldson lines are idle. The executive of the association yesterday notified the steamship officials that the men would observe the holiday today, which means they will not start work until 7 o'clock tomorrow morning. The steamship people state that this action on the part of the men is a violation of the contract of which provided for Christmas being the only holiday to be observed.

The Allan line steamer Taurian is being worked as usual by the members of the Ship Laborers' Society.

## ALL'S WELL THAT ENDS WELL

A missing diamond necklace looked serious to a woman in the Union depot a night or two ago. She came in on the 5.40 train from Halifax and left the case containing the necklace on the seat of the car. She was going through to the states and was about to board the Boston train when she discovered her loss and for a time was nearly frantic. It turned out, though, that the box had been picked up by L. R. Ross, terminal superintendent, who returned it to the owner when she asked for it.
