The St. Mary's band gave a concert in their honor, and played them to the depot while many friends lined the streets.

At a meeting of the recruiting committee yesterday it was announced that 250 men had joined the ranks from New Brunswick during the last week, 150 from Nova Scotia, and 28 from P. E. Island. A committee was appointed to arrange for the presentation of an officer's sword worn by one of the officers in the famous 104th regiment, to Lieut. Colonel Fowler. Reports showed the cost of recruiting in the present campaign to have been \$104,294 so far.

Hon. Arthur Meighen, solicitor general, said in Ottawa yesterday that the story as to his appointment to the Grenadier Guards was premature. It is understood that he has not yet received Premier Borden's consent.

INDIA'S PART IN THE EMPIRE WAR

Rustum Rustumjee, Editor of Bombay Review, Heard in Lecture Under Auspices of Canadian Club

India's loyalty and what has kept her loyal was the subject of a lecture given by Rustum Rustumjee, the Indian editor and scholar, in the High School auditorium last evening. The lecture was given under the auspices of the Canadian Club, whose president, J. Hunter White presided.

The speaker said that the purpose of British rule in India is to establish liberty and domestic tranquility and secure

La Grippe and Colds

Infatigable and cold, Anti-kamnia (K) Tablets are unexcelled, as they stop the pain, soothe the nerves, and bring the rest so greatly needed by nature to restore the system to health. Physicians have used these tablets for over twenty years in the treatment of colds, fevers and grippe, and have found no other remedy more useful in these conditions. Anti-kamnia Tablets are so inexpensive, so pleasant to take, so satisfactory in their results, and so useful in all conditions where there is pain, that A-K Tablets should always be kept in the house for the time of need. Many of our ablest physicians obtain perfect results in grippe and colds, by cleansing the system with Epson salt or "Acetol", a very good cathartic, putting the patient on a limited diet, and administering one A-K tablet every two or three hours. This treatment will usually break up the worst case in a day or two, while in milder cases, ease and comfort follow almost immediately. These tablets are also unexcelled for Neuritis, Rheumatic Pains, The Pains of Women, Indigestion and Insomnia. All druggists have them.

Canadian A-K Tablets bear the K mark.

the blessings of liberty and prosperity to the people. Mr. Rustumjee gave an interesting account of how the 315,000,000 people are governed by the 700 princes. This whole nation, he said, never swerved from the vows of allegiance to Great Britain made in 1857. He also told of the troops flocked to the aid of Great Britain during the war and said that the Indian nobles had gallantly responded to England's call and hurled themselves into the fight.

President White explained that this year the Canadian Club had suspended their usual lectures and luncheons but they had taken the opportunity of Mr. Rustum's presence in the city to add to the patriotic fund.

An Imperial pass for a year is one of the prizes in the patriotic drawing.

Speeches by Hon. J. A. Murray and Sergeant Knight

Ladies Will Not Be Admitted Before 8.30

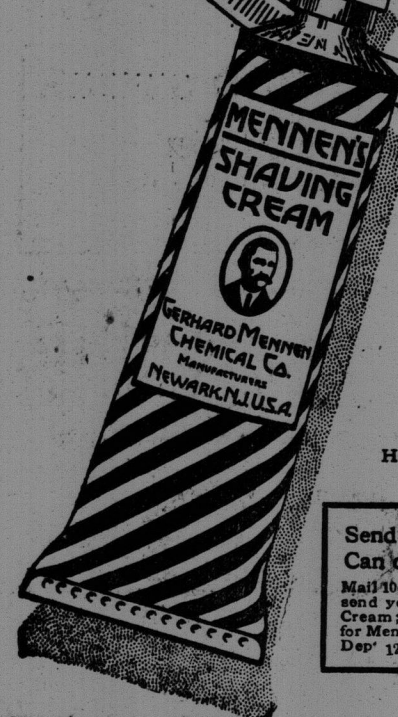

Well—that was "some" shave!

I would never have believed it

"I was told that it would pay me to throw away my old shaving powder and stick, and the rest of them and try this new Mennen's Shaving Cream. It seemed to me that all shaving soaps were pretty much alike, but, after this, Mennen's is my one best bet.

"I am converted—I am a 'Mennen booster' from now on. I did everything I could to make Mennen's Shaving Cream fail—using cold water and a dull razor blade. I thought it couldn't soften the beard without rubbing in—it did. I didn't think it would make a lather that wouldn't dry. The lather stayed fresh, and my face stayed moist. It was the easiest, quickest and most satisfactory shave I ever had."

MENNEN'S SHAVING CREAM

Mennen's Differs from Others

- 1—Absorbs an unusual amount of water, thus you need only ½ inch for every shave.
- 2—Lather remains moist for at least ten minutes, therefore no relathering.
- 3—The creamy lather will soften the beard itself. No rubbing in.
- 4—An indifferent razor makes good with Mennen's.
- 5—No "free" caustic, but ingredients soothing to the skin.
