We believe General Motors will sell at this year, some months ago.

Overland on its earnings is entitled to sell a great deal higher and still seems a purchase.

Rubber stocks still are cheap and should sell higher. Goodrich's report to come out Wednesday is expected to show an important falling off in earnings, but the last half year's business should show some good profits.

A shaving cream that's changing the shaving habits of the world

Palmolive Shaving Cream is a scientific creation. We worked 18 months to perfect it; made up and discarded 130 formulas before we hit

We started by asking 1000 men what they most desired in a shaving soap. Then met their exactments one by one. It is different in formula, action and effect from any other shaving preparation known.

5 unique advantages over old-type soaps, creams, powders

In 5 distinct ways, this unique preparation excels over all others. You'll note them all first time you use it. It has won millions of men from old-time preparations. Its success is a national sensation. Men are literally flock-

1-It multiplies itself in lather 250 times. 2-It softens the beard in one minute. 3—The lather maintains its creamy fullness for ten minutes on the face.
