MARINE NOTES. The Robert Reford Company have received cable advice that the embargo recently placed on Scotch anthracite by the British government has been removed, and they expect shipments will be resumed at an early date.

A Portland (Me.) despatch says: With a view of still better protection against fire the boats of the Eastern Steamship Corporation, in addition to the excellent system already in use, are to be further equipped with chemical engines. The apparatus consists of a tank of 60 gallons capacity, mounted on two large wooden wheels equipped with rubber tires, with 100 feet of hose attached to the tank. The apparatus is only about four feet in width, and can be moved readily from one end of the boat to the other. Two of the engines have already been received at Franklin wharf, one for the Bay State and the other for the Ransom B. Fuller, while a third one is to be stationed at the freight shed. It is possible that later all the boats of the Eastern Steamship Corporation may be similarly equipped.

ENGAGEMENT ANNOUNCED. Mr. and Mrs. Paul Lea of Moncton, announce the engagement of their daughter, Helen Anna, to Harold Chapman Steeves, M. D., of Sidney, B. C. The marriage is to take place in Vancouver early in October.

"THE QUEER BRITISH EMPIRE"

(Chicago Herald) -What a queer, queer thing the British Empire is when you come to think of it. In ordinary times you would naturally judge from the way Ireland and the dominions and colonies talk about Great Britain that the poor old country didn't have a friend on earth. In ordinary times some part of the British Empire is always berating the home government. In time of peace everybody feels at liberty to assume a possible revolution in India; separation of the dominions, and all sorts of other disastrous things. In times of peace the empire is always more or less "doomed," according to the statements of many gloom-laden British subjects. But in time of war how suddenly things look up in that queer, queer British Empire! "I haven't a thing to take back," says Ireland, "but under the circumstances kindly show me the enemy as soon as possible. I want to get at him." "Yours of recent date received," says Canada. "Am sending men as fast as they can be gotten ready and transportation secured." "Reserving for a more auspicious time any hatred a part of our population bears to England," says South Africa. "We are preparing to do our utmost in the present war." "Serious local dissatisfaction will arise, unless Indians are permitted to give their lives for the honorable empire, now that it is at war with a foreign nation," says India. "It's everywhere" is the same story. In peace it's "Confound your stupid, unreasonable, fat-headed, doomed arrogant soul!" in time of need it's "Count on us to the limit!" Which is why we say that the British Empire is a queer, queer institution!

"PEG O' MY HEART" One of the best attractions in the city this week is "Peg O' My Heart" at the Opera House. Crowded houses prove the popularity of the most delightful play that has been seen in the city in years. Tickets are on sale for the entire week, and while the best seats are at the standard scale for high-class shows, there are plenty of good seats at a moderate price.

A CALL TO PRAYER At the request of a number of representative women of the city, it has been decided to hold a general meeting of intercession, for the present necessity of our country and empire, in the school house of St. John's (Stone) church on Thursday afternoon, Sept. 10, at 8 o'clock. All Christian women invited to attend.—M. Edna Melrose, president of the United Women's Missionary Society.

MOTION PICTURES OF SOLDIERS FAREWELL IN ST. JOHN LAST MONTH The thousands of St. John people who saw the first contingent of local troops off to Valcartier last month will be treated to the novelty of seeing themselves in motion pictures at the Imperial tomorrow and the remainder of the week. It will be remembered that pictures were taken at the time expressly for the Keith house, the camera being located at the foot of King street, the Grand Union Hotel balcony and a box car in the depot yard. From these vantage spots a complete picture of the enthusiastic procession of soldiers and citizens and the thousands at the depot

were secured. It was late in the day for photographing, yet a remarkably fine film has resulted. One of the chief items of interest is the surging crowds down King street, headed by Mayor Frink, Postmaster Sears, and E. A. Schofield and other prominent people.

In the home of an old German who died in Davenport, Wash., there have been found a Bible 119 years old, and a set of silver dating back to 1738.

How She Acquired "Feminine Charm" A nicely-dressed woman sat beside me in the train. Everyone stared at her. It was not her beauty of feature that held our eyes, nor her costume. But there was something about her face and expression.—I risked it and asked, "Would you mind telling me how you keep your complexion so distinctly pure? Don't think me impudent, but you seem over 30, yet haven't a wrinkle in your face, and your cheeks are quite peach-like. How do you do it?"

Laughing, she said: "That's easy; I remove my skin. Sounds shocking, doesn't it? But listen. Instead of cosmetics, I use only pure mercuric sulphate, procurable at any drugstore. I apply this nightly, like cold cream, washing it off mornings. This gently abrades the soiled, weather-beaten film-skin, without pain or discomfort. Thus revealing the soft, clear, unadorned skin. Every woman has a beautiful complexion underneath, you know. I don't want off wrinkles; I use a face bath made of one-half pint witch hazel (one ounce) in one-half pint water. (one ounce) in one-half pint water. (one ounce) in one-half pint water. (one ounce) in one-half pint water. I thought so. I'm now trying her plan and like it immensely.—Mildred Brown in The Story Teller.

Your Manly Strength "Nature" Book Free

My Free Offer to My Men and Young Men Readers. My free offer is as follows: There are in existence today numerous creditable books relating to the much discussed sex science, and they range in price from \$2 to \$5, while my offer as given below is a free one. I publish a little private compendium of 72 pages, pocket size, containing 6,000 words and 80 half-tone photo reproductions, which thoroughly covers the subject of sex, but only in its relation to manhood or vital manly strength. Its legitimate use its wanton abuses, its loss and the causes thereof, its possible self-restoration and its permanent preservation. These are the vital phases of the sex subject which I find to be of most interest to all men, young or elderly, single or married, and I have therefore put into this little self help book the very best that I can offer relating to that particular personal and private advice and information, which my 80 years' practical experience in this field has taught me man most seek, and through which they can get the most real benefit in respect to their own vigor and vital health. This, reader, is the book, and my offer to send it by mail, absolutely free of charge, in a perfectly plain, sealed envelope, to any man or young man anywhere who writes for it (see coupon below), and there is not a particle of obligation of any kind whatsoever involved in making this gift offer to you. Over a million of these books have been thus sent to men all over the world who wrote for them. The reason why I can offer this illustrated sex book free is that in one part I include a description of a little mechanical vitalizer of my own invention, which is for use by those of my readers who need some outside aid in the restoration of their manly vigor. However, that is a matter for each person to decide for himself. The book is complete and entirely independent of anything it says with respect to the vitalizer. Therefore please use free coupon and get the book by return mail. You will find it a valuable adviser in many respects.
